Resolution 5 - Authority to Issue Shares pursuant to Section 132D of the Companies Act, 1965

The proposed Ordinary Resolution 5 is proposed for the purpose of granting a renewed general mandate and authorise the Directors of the Company to issue and allot shares up to an aggregate amount not exceeding 10% of the issued and paid-up capital of the Company for the time being for such purposes as the Directors would consider to be in the interest of the Company. This authority, unless revoked or varied at a general meeting, will expire at the next conclusion of the Annual General Meeting of the Company.

The authority is to avoid any delay and cost involved in convening a general meeting to approve such an issue of shares. The aforesaid authority is to give the Directors the authority and flexibility to raise fund more expediently via issuance of shares for purpose of funding future investments, working capital and/or any acquisition.

As at the date of this Notice, 22,800,000 new ordinary shares of RM0.10 each in the Company were issued pursuant to the authority granted to the Directors at the Fourth Annual General Meeting held on 23 May 2012 and which will lapse at the conclusion of the Fifth Annual General Meeting. The proceeds of RM8.607 million raised from the issuance of 22,800,000 shares via the Private Placement as at the date of this Notice were utilised for capital expenditure, payment to trade creditors and payment to expenses in relation to the Private Placement.
