EXPLANATION NOTE

Resolution 6

The proposed Resolution 6, if passed, will empower the Directors of the Company from the date of above Annual General Meeting, authority to allot and issue shares in the Company up to an aggregate amount of not exceeding 10% of the issued share capital of the Company for the time being for such purposes as they consider would be in the best interest of the Company and also to empower Directors to obtain approval from Bursa Malaysia Securities Berhad for the listing of and quotation for additional shares issued. This authority, unless revoked or varied at a general meeting, will expire at the next Annual General Meeting of the Company.

The general mandate sought to grant authority to Directors to allot and issue of shares is a renewal of the mandate that was approved by the shareholders at the Ninth Annual General Meeting held on 22 June 2012. The renewal of the general mandate is to provide flexibility to the Company to issue new shares without the need to convene a separate general meeting to obtain shareholders' approval so as to avoid incurring additional cost and time. The purpose of this general mandate is for possible fund raising exercises including but not limited to further placement of shares for purpose of funding current and/or future investment projects, working capital and/or acquisitions.

Up to the date of this Notice, the Company did not issue any shares pursuant to the mandate granted to the Directors at the Ninth Annual General Meeting because there was no need for any fund raising activity for the purpose of investment, acquisition or working capital.
