Notes:

Explanatory Note On Special Business:

- Resolution pursuant to the Authority to issue Shares

The proposed Resolution No. 7 [Item 5], if passed, will grant a renewed general mandate (Mandate 2013) and empower the Directors of the Company to issue and allot shares up to an amount not exceeding in total ten per centum (10%) of the issued share capital of the Company from time to time and for such purposes as the Directors consider would be in the interest of the Company. In order to avoid any delay and costs involved in convening a general meeting, it is thus appropriate to seek shareholders' approval. This authority will, unless revoked or varied by the Company in general meeting, expire at the next Annual General Meeting of the Company.

The Mandate 2013 will provide flexibility to the Company for allotment of shares for any possible fund raising activities, including but not limited for further placing of shares, for the purpose of funding future investment(s), acquisition(s) and/or working capital.

As at the date of this Notice, the Company did not issue any shares pursuant to the mandate granted to the Directors at the Twenty-Second Annual General Meeting. The Company did not issue any share pursuant to the mandate granted because there was no investment, acquisition or working capital that required fund raising activity.
