Explanatory Notes on Special Business

1. Proposed Resolution 9
The proposed resolution, if passed, will retain the position of Chong Chon Chee as an Independent Non-Executive Director of the Company to fulfil the requirements as set out in the Recommendation 3.3 of the Malaysian Code on Corporate Governance 2012. The Board's justifications and recommendations for the retention of Chong Chon Chee are set out on pages 15 to 16 of the Annual Report 2012.
2. Proposed Resolution 10
The Board continues to consider strategic opportunities to broaden the earnings potential of the Company and this may involve equity deals which may require the Company to issue new shares.
The proposed resolution, if passed, will provide flexibility to the Directors to undertake any possible fund raising activities, including but not limited to further placing of shares for the funding of the Company's future investments projects, working capital and/or acquisitions, by issuance of shares at any time up to an aggregate amount not exceeding 10% of the issued and paid-up share capital of the Company for the time being for such purposes as the Directors consider would be in the best interest of the Company. This authority, unless revoked or varied at a general meeting, will expire at the conclusion of the next annual general meeting of the Company.
This is the renewal of the mandate obtained at the last annual general meeting and there was no new share issued under the said mandate as at the date of this notice. The Company has, on 23 May 2013, announced to Bursa Malaysia Securities Berhad that it proposes to undertake a private placement of up to 10% of the issued and paid-up share capital of the Company. Please refer to the said announcement for further details.
3. Proposed Resolution 11, 12 and 13
The proposed resolutions, if passed, will authorise the Company and each of its subsidiaries to enter into recurrent related party transactions of a revenue or trading nature ("RRPTs") with the related parties as identified in point 3(b) (pages 3 to 17) of the Circular to Shareholders dated 5 June 2013, which are necessary for the BLDP Group's day-to-day operations, provided that the RRPTs are in the ordinary course of business and are on normal commercial terms which are not more favourable to the related parties than those generally available to the public and not detrimental to the interest of the minority shareholders.
By obtaining the shareholder mandate, the necessity to convene separate meetings from time to time to seek shareholders' approval as and when such RRPTs occur would not arise. This would reduce substantial administrative time and costs associated with the convening of such meetings without compromising on the corporate objectives of the BLDP Group or adversely affecting the business opportunities available to the BLDP Group.
