- Explanatory Notes on Special Business:

**Ordinary Resolution 4 : Authority to Issue Shares**

At last year's Annual General Meeting, mandate was given to Directors to issue and allot at no more than 10% of the issued share capital of the Company. However, the mandate was not utilised and accordingly will lapse at the forthcoming Annual General Meeting. As such, the Board would like to seek for a renewal of the mandate.

The proposed Ordinary Resolution 4, if passed, will empower the Directors of the Company to issue and allot not more than 10% of the issued share capital of the Company subject to the approvals of all the relevant governmental and/or other regulatory bodies and for such purposes as the Directors consider would be in the interest of the Company.

The authority will provide flexibility to the Company for any possible fund raising activities, including but not limited to further placing of shares, for purpose of funding future investment project(s), working capital and/or acquisitions.

This authorisation will, unless revoked or varied by the Company in a general meeting, expire at the next Annual General Meeting of the Company.
