NOTES ON SPECIAL BUSINESS

Resolution 5:

The proposed Resolution 5 will give powers to the Directors to issue up to a maximum ten per centum (10%) of the issued share capital of the Company for the time being for such purposes as the Directors would consider in the best interest of the Company. This authority, unless revoked or varied by the Company at a general meeting, will expire at the next Annual General Meeting of the Company.

The general mandate sought for issue of securities is a renewal of the mandate that was approved by the shareholders on 30 April 2013. The Company did not utilize the mandate that was approved last year. The renewal of the general mandate is to provide flexibility to the Company to issue new securities without the need to convene separate general meeting to obtain its shareholders' approval so as to avoid incurring additional cost and time. The purpose of this general mandate is for possible fund raising exercises including but not limited to further placement of shares for purpose of funding current and/or future investment projects, working capital and/or acquisitions.
