6. Explanatory notes on Special Business

Ordinary Resolution 6

The proposed Ordinary Resolution 6 is to seek renewal of the mandate from shareholders. The resolution if duly passed, is primarily to give the flexibility and authority to the Directors of the Company, from the date of the forthcoming 10th AGM, to issue and allot new shares in the Company up to and not exceeding in total 10% of the issued and paid-up share capital of the Company thereat, for such purposes as they consider would be in the best interest of the Company. This authority, unless revoked or varied at a general meeting, will expire at the conclusion of the next AGM of the Company.

The Company continues to consider opportunities to broaden its earnings potential. If any of the expansion/diversification proposals involves the issue of new shares, the Directors, under certain circumstance when the opportunity arises, would have to convene a general meeting to approve the issue of new shares even though the number involved may be less than 10% of the issued capital.

In order to avoid any delay and costs involved in convening a general meeting to approve such issue of shares, the Board would like to renew the mandate to enable the Directors of the Company to issue and allot shares at any time to such persons in their absolute discretion. This authority will provide flexibility to the Company for the allotment of shares for the purpose of funding future investment, working capital and/or acquisitions.

As at the date of this Notice, 23,845,000 new ordinary shares of RM0.10 each in the Company were issued by way of private placement to identified investors pursuant to Section 132D of the Companies Act 1965 which is equivalent to 8.46% of the Company's paid-up capital thereat. Total proceeds raised from the private placement exercise was RM8,464,975.

The details of utilization of the proceeds from the private placement exercise are disclosed on page 23 of this Annual Report.
