Notes:

- (1) In respect of deposited securities, only Members whose names appear in the Record of Depositors on 21 April 2017 shall be entitled to attend, speak and vote at this 56<sup>th</sup> Annual General Meeting.
- (2) A member entitled to attend and vote at the meeting is entitled to appoint one or more than one proxy to attend, participate, speak and vote instead of him and the member shall specify the proportion of his shares to be represented by each proxy. Where a member of the Company is an authorised nominee as defined under the Securities Industry (Central Depositories) Act 1991, it may appoint at least one proxy in respect of each securities account it holds with shares in the Company standing to the credit of the said securities account.
- (3) The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing or if the appointor is a corporation, either under its common seal or under the hand of an officer or attorney duly authorised.
- (4) The Form of Proxy or the instrument appointing the Proxy and the power of attorney or other authority, if any, under which it is signed or notarially certified copy or that power or authority must be deposited at the Registered Office of the Company situated at 6<sup>th</sup> Floor, Office Block, Grand Millennium Kuala Lumpur, 160 Jalan Bukit Bintang, 55100 Kuala Lumpur, Malaysia not less than 48 hours before the time appointed for holding the meeting or adjourned meeting.
- (5) **Resolution On Authority To Directors To Issue and Allot Shares**  
The Company wishes to renew the previous mandate approved by shareholders at the 55<sup>th</sup> Annual General Meeting. The previous mandate granted by the shareholders had not been utilized and hence no proceeds were raised therefrom. The renewal of this mandate is to authorise Directors to issue shares pursuant to the Sections 75 and 76 of the Companies Act 2016. The Company is continuously looking into prospective areas to broaden its operating base and earnings potential. As the expansion or diversification may involve the issue of new shares, the Directors, under present circumstances, would have to call for a general meeting to approve the issue of new shares even though the number involved is less than 10% of the total number of issued shares (excluding treasury shares). In order to avoid any delay and cost involved in convening a general meeting to approve such issue of shares, it is thus considered appropriate that the Directors be now empowered to issue shares in the Company up to an amount not exceeding in total 10% of the total number of issued shares (excluding treasury shares) of the Company for the time being for such purposes as they consider would be in the interest of the Company. This authority, unless revoked or varied at a general meeting, will expire at the next Annual General Meeting of the Company.
- (6) **Resolution On Proposed Renewal of Authority for the Purchase Of Own Shares by the Company**  
The purchase of own shares of the Company will enable the Company to utilise its financial resources not immediately required for use to purchase its ordinary shares. The purchase of own shares is expected to have the effect of stabilising the supply and demand as well as the price of the ordinary shares. Further information on the Proposed Renewal of Authority for the Purchase of Own Shares by the Company are set out in the Circular dated 5 April 2017 which is despatched together with the Company’s Annual Report 2016.
- (7) **Resolution On Proposed Shareholders’ Mandate on Recurrent Related Party Transactions**  
The approval for renewal of and new general mandate will permit the Company to enter into all recurrent related party transactions of a revenue or trading nature which are necessary for day-to-day operations in the ordinary course of business. Further information on the Proposed Renewal of Mandate on Recurrent Related Party Transactions are set out in the Circular dated 5 April 2017 which is despatched together with the Company’s Annual Report 2016.
