- Audited Financial Statements**
The Audited Financial Statements are laid before the shareholders for discussion only as they do not require shareholders' approval pursuant to Section 340(1) of the Companies Act, 2016. Hence, this matter will not be put for voting.
- Ordinary Resolution 3**
Payment of Meeting Attendance Allowances and Other Benefits
Section 230(1) of the Companies Act, 2016 requires that benefits payable to the Directors of the Company must be approved at a general meeting. Accordingly, shareholders' approval is sought for the payment of Meeting Attendance Allowances and any other benefits payable to the Directors which shall take effect from the passing of this Ordinary Resolution until the next Annual General Meeting.
- Ordinary Resolution 7**
Authority to Issue and Allot Shares
This ordinary resolution, if passed, is a renewal of the general mandate to empower the Directors of the Company from the date of this Annual General Meeting, authority to issue and allot ordinary shares from the issued capital of the Company up to an aggregate of ten percent (10%) of the issued and paid-up share capital of the Company for the time being, for such purposes as the Directors consider in their absolute discretion to be in the interest of the Company. This authority unless revoked or varied at a general meeting will expire at the next Annual General Meeting. With this authority, the Company will be able to raise capital from the equity market in a shorter period of time and the cost to be incurred will also be lower as the need to convene an extraordinary general meeting will be dispensed with.

The general mandate will provide flexibility to the Company for any possible fund raising activity, including but not limited to further placing of shares, for the purpose of funding future investment project(s), working capital and/or acquisitions.

As at 25 June 2018, 28,000,000 new shares in the Company were issued by way of private placement pursuant to the general mandate granted to the Directors at the Forty-Third (43rd) Annual General Meeting held on 28 July 2017. The actual funds raised from the said Private Placement was approximately RM11.956 million. The details on the status of the utilisation of the proceeds raised from the Private Placement are as follows:-

PURPOSES	PROPOSED UTILISATION RM'000	ACTUAL UTILISATION RM'000	BALANCE AVAILABLE FOR UTILISATION RM'000
Potential expansion and capital expenditure	5,576	647	4,929
Working capital for the business operation expenditures of the Group	6,278	4,761	1,517
Defraying expenses relating to the Private Placement	102	102	-
TOTAL	11,956	5,510	6,446

- Ordinary Resolution 8**
Proposed Renewal of Authority to Purchase its Own Shares by the Company (Proposed Share Buy-Back)
This ordinary resolution, if passed, will empower the Directors of the Company from the date of this Annual General Meeting, authority to purchase up to ten percent (10%) of the total issued and paid-up share capital of the Company. This authority will, unless revoked or varied by the Company in a general meeting, expire at the next Annual General Meeting of the Company.

Please refer to the Circular to Shareholders dated 6 July 2018 despatched together with this Notice of Annual General Meeting for further details.

- Ordinary Resolution 9**
Proposed Renewal of Existing Shareholders' Mandate and Proposed New Shareholders' Mandate for Recurrent Related Party Transactions of a Revenue or Trading Nature ("Proposed Shareholders' Mandate")
This ordinary resolution, if passed, will authorise the Company and each of its subsidiaries to enter into recurrent transactions with the mandated related parties as identified in the Circular to Shareholders dated 6 July 2018, which are of a revenue or trading nature and necessary for its day-to-day operations and are in the ordinary course of business on normal commercial terms not more favourable to the related parties than those available to the public and are not detrimental to the minority shareholders of the Company. By obtaining the shareholders' approval for the Proposed Shareholders' Mandate, the need for the Company to convene separate general meetings each time the recurrent related party transactions occur will not arise, thereby substantially reducing administrative time and expenses associated with convening such meetings. This authority unless revoked or varied at a general meeting will expire at the next Annual General Meeting.
