B12 Material litigation / arbitration

Arbitration Proceeding between ING Bank N.V ("ING" or "First Claimant"), O.W. Bunker Far East (Singapore) Pte Ltd ("OWBFE" or "Second Claimant"), collectively referred to as the "Claimants") and Tumpuan Megah Development Sdn Bhd ("TMD" or "Respondent")

The Claimants alleged that on 19 December 2013, a series of financing agreements were entered into between O.W. Bunker & Trading A/S ("OWBAS"), together with certain subsidiary companies (including OWBFE) and a syndicate of banks and ING (in its capacity as a security agent under a revolving borrowing base facilities agreement). As part of that transaction, ING entered into an English law Omnibus Security Agreement dated 19 December 2013 ("OSA") with OWBAS and certain of its subsidiaries (including OWBFE) to assign to ING certain trade and intercompany receivables, insurances and brokerage accounts. The Claimants further alleged that pursuant to the aforesaid, notice of assignment of supply receivables was given to TMD.

The Claimants also alleged that on or about 17 October 2014 and 29 October 2014, TMD and OWBFE entered into contracts both made orally or by yahoo messenger evidenced by a nomination sheet, invoice and sales order confirmation whereby OWBFE agreed in the ordinary course of business to supply and/ or sell to TMD 423.73 MT of gas oil at a price of USD753 per MT for delivery at the port of Pasir Gudang and 794.915 MT of gas oil at a price of USD775.50 per MT for delivery at the port of Kuantan respectively.

On 14 April 2021, TMD received a sealed Order dated 22 March 2021 and undated Notice of Registration of Foreign Judgement and this represents an attempt by the Claimants to enforce an English Judgement for USD937,353 with interest and cost of which TMD has disputed jurisdiction. Accordingly, TMD is taking steps to strenuously resist this attempt to enforce an invalid arbitration award issued without jurisdiction and TMD's solicitors had on 27 April 2021 filed an application to the High Court of Malaya, Kuala Lumpur to set aside the earlier mentioned sealed Order and undated Notice of Registration of Foreign Judgement.

The High Court Judge dismissed the application for issues to be tried and TMD has since filed an Appeal against this decision. TMD has also since applied to stay the proceedings pending disposal of the Appeal and the application for stay of proceedings was fixed for case management on 26 January 2022.

The hearing for stay of Setting Aside Application pending the Appeal was held and stay was granted. The record of Appeal was duly filed on 18 March 2022 and Case Management for the Appeal was fixed for 2 June 2022 to update the filing of Grounds of Judgement and Notes of Proceedings, if made available.

Pursuant to the above, Case Management Conference for the Appeal was held on 11 August 2022, 21 October 2022, 20 December 2022, 20 January 2023 and 23 March 2023 respectively.

On 6 April 2023, the hearing of TMD's application to adduce further evidence in the Appeal took place and the application was allowed.

Subsequently, Case Management Conferences and hearings of the Appeal were held on 3 July 2023 and 13 July 2023 respectively.

B12 Material litigation / arbitration (cont'd)

Pursuant to an appeal for a trial on 20 November 2023 to determine the four (4) issues between TMD and ING Bank/OWB in aid of TMD's application to set aside the registration of the UK Judgement in Malaysia ("Application for Trial"); the Court of Appeal had decided to allow the appeal on the following brief grounds:-

- Recognized the availability of the passive remedy to TMD to raise the issue of the UK Tribunal's lack of
 jurisdiction for the first time at the enforcing court outside the UK. It was further held that the issue of
 jurisdiction should be decided by the High Court independently from the UK Tribunal's finding.
- The Court of Appeal also found that the High Court judge proceeded to decide on the merits of ING Bank / OWB's application to register UK Judgment in Malaysia. As such, it was ordered that the matter will be remitted to the High Court before a different High Court Judge.
- Cost in the sum of RM 15,000.00 (subject to 4% allocatur) was awarded to TMD.

The matter will now proceed for trial at the High Court within the parameters of the 4 issues of the Application for Trial. However, the Claimants had filed a Motion for Leave to Appeal at the Federal Court and in the case management held on 5 February 2024, the Federal Court had given directions for written submissions and documents by 15 May 2024 for case management on 16 May 2024 and a hearing had been fixed on 30 May 2024.

In respect thereto, in a case management to fix a hearing date for an application to stay the proceedings in the High Court pending the decision of Federal Court on 20 February 2024, the High Court had set 5 June 2024 for the hearing.

Notwithstanding the ongoing arbitration which commenced on 2 May 2017, the Vendor (Raja Ismail Bin Raja Mohamed) via an irrevocable Personal Guarantee dated 30 April 2020 had undertaken to indemnify the Company against the liabilities of TMD arising from the arbitration and shall promptly pay such liabilities upon receipt of a payment demand from the Company and accordingly, no provisions have been made in the financial statements.
