Comparison with corresponding quarter of the preceding financial year

The Group's revenue increased by RM5.7 million to RM68.9 million for the current quarter from RM63.2 million for the corresponding quarter of the preceding financial year. This was primarily contributed by higher sales from the apparel division.

Meanwhile, according to the World Bank's report, the Malaysian economy is expected to grow 4.3% in 2024. Whilst the Group's financial performance has shown signs of improvement during the quarter under review, the foreign currency volatility and weak consumer sentiment arising from macroeconomic factors continue to pose a challenge to the Group's businesses. 23. Material litigations (Cont'd)

On 22 January 2024, PTLSB had delivered an application to amend their statement of case which was allowed by the Arbitral Tribunal on 31 January 2024. Further, the Arbitral Tribunal had also fixed new deadlines for the parties to exchange the expert reports, witness statements and joint expert report on 23 February 2024, 29 February 2024 and 12 April 2024 respectively.

Following the order of the Arbitral Tribunal, TPTM had on 23 February 2024 filed an application under Section 18 of the Arbitration Act 2005 at the High Court to appeal against the said order allowing PTLSB to amend its statement of case. The first case management was conducted on 7 March 2024 whereby the Court fixed 21 March 2024 for PTLSB to file and deliver their Affidavit in Reply, 4 April 2024 for TPTM to file and deliver its Affidavit in Response and 8 April 2024 as the next case management date to give further directions. So far, no hearing date has been fixed by the Court for this application.

In addition, on 18 March 2024, the Arbitral Tribunal had confirmed that the arbitration proceedings are stayed pending the disposal of the application filed by TPTM at the High Court and consequently vacated all hearing dates.

As at the date of this interim report, TPTM has received a copy of PTLSB's Affidavit in Reply to which TPTM would have to respond by 4 April 2024 as indicated above.

The Directors of the Company do not expect the outcome of the action to have a material effect on our Group's financial position. Furthermore, the solicitors having conduct of the matter are of the opinion that there is a more than equal chance for success on the primary defences and the heads of TPTM's claims in the counterclaim.
