5. *Explanatory Notes on Special Business:-*

The proposed Ordinary Resolution under item no. 5 is a new general mandate. If passed, it will give the Directors of the Company the power to issue shares of the Company up to an amount not exceeding in total 10% of the issued share capital of the Company for the time being, for such purposes as the Directors consider would be in the interest of the Company. This would avoid any delay and cost involved in convening a general meeting to specifically approve such an issue of shares. This authority, unless revoked or varied at a general meeting, will expire at the next Annual General Meeting ("AGM") of the Company.

The Company did not issue any shares pursuant to a mandate granted to the Directors at the last AGM held on 27 December 2011.
