**Explanatory Notes on Special Business:**

- (a) **Ordinary resolution no. 7 - Authority to issue shares pursuant to Section 132D of the Companies Act, 1965**  
The proposed resolution no. 7, will give powers to the Directors to issue up to a maximum ten per centum (10%) of the issued share capital of the Company for the time being for such purposes as the Directors would consider in the best interest of the Company. This authority, unless revoked or varied by the Company at a general meeting, will expire at the next annual general meeting of the Company.  
The general mandate sought for issue of shares is a renewal of the mandate that was approved by the shareholders at the Company's annual general meeting held on 11 June 2012 ("AGM 2012"). The Company did not utilize the mandate that was approved at the AGM 2012.  
The renewal of the general mandate is to provide flexibility to the Company to issue new shares without the need to convene separate general meeting to obtain its shareholders' approval so as to avoid incurring additional cost and time.  
The purpose of this general mandate is for possible fund raising exercises including but not limited to further placement of shares for purpose of funding current and/or future investment projects, working capital and/or acquisitions.
- (b) **Ordinary resolution no. 8 - Proposed renewal of and new shareholder mandates for recurrent related party transactions of a revenue or trading nature**  
Paragraph 10.09 of the Main Market Listing Requirements states that with regard to related party transactions which are recurrent, of a revenue or trading nature and which are necessary for day-to-day operations ("RRPT"), a public listed company may seek a Shareholder Mandate.  
The proposed resolution no. 8, if passed, will authorise the Company and each of its subsidiaries to enter into RRPT with the mandated related parties as identified in Section 3.2 on pages 3 to 8 of the Circular dated 23 May 2013 ("Circular"), which are necessary for the SCB Group's day-to-day operations, provided that such transactions are in the ordinary course of business and are on normal commercial terms which are not more favourable to the related parties than those generally available to the public and not detrimental to the interest of the minority shareholders.  
By obtaining the Shareholder Mandate, the necessity to convene separate meetings from time to time to seek shareholders' approval as and when such RRPT occur would not arise. This would reduce substantial administrative time and costs associated with the convening of such meetings without compromising on the corporate objectives of the SCB Group or adversely affecting the business opportunities available to the SCB Group. Please refer to the Circular for further information.
