Explanatory Notes on Special Business

Authority to Allot and Issue Shares in general pursuant to Section 132D of The Companies Act, 1965

The proposed Ordinary Resolution if passed will empower the Directors to issue shares of the Company up to 10% of the issued capital of the Company for the time being for such purposes as the Directors consider would be in the interest of the Company. This would avoid any delays and costs in convening a general meeting to specifically approve such an issue of shares. This authority unless revoked or varied by the Company in general meeting will expire at the next Annual General Meeting ("AGM") of the Company.

The Company has not issued any new shares under this general authority which was approved at the last AGM held on 17 July 2012 and which will lapse at the conclusion at this AGM. A renewal of this general authority is being sought at this AGM under the proposed resolution 6. The renewed mandate is to provide flexibility to the Company for any possible future fund raising activities including but not limited to placement of shares for purposes of funding future investments, working capital and/or acquisition.
