8. Explanatory Notes on Special Business:

Ordinary Resolution 6

Authority to Issue Shares pursuant to Section 132D of the Companies Act, 1965

The proposed Ordinary Resolution 6, if passed, will give flexibility to the Directors of the Company to issue shares up to a maximum of ten per centum (10%) of the issued share capital of the Company at the time of such issuance of shares and for such purposes as they consider would be in the best interest of the Company without having to convene separate general meetings. This authority, unless revoked or varied at a general meeting, will expire at the conclusion of the next Annual General Meeting of the Company.

This is the renewal of the mandate obtained from the shareholders at the last Annual General Meeting ("the previous mandate"). The previous mandate was not utilised and no proceeds were raised. The purpose of this general mandate sought will provide flexibility to the Company for any possible fund raising activities but not limited for further placement of shares for purpose of funding current and/or future investment projects, working capital, repayment of borrowings and/or acquisitions.
