Item 4 of the Agenda – Ordinary Resolution 4

Authority to Directors to issue shares

The proposed Ordinary Resolution 4, if passed, will give powers to the Directors to issue up to a maximum of 10% of the issued share capital of the Company for the time being for such purposes as the Directors consider would be in the interests of the Company. The authority will, unless revoked or varied by the Company in a General Meeting, expire at the conclusion of the next Annual General Meeting or the expiration of the period within which the next Annual General Meeting is required by law to be held, whichever is earlier.

The purpose to seek the General Mandate is to enable the Directors to issue and allot shares at any time for possible fund raising activities, including but not limited to private placement to such persons in their absolute discretion so as to avoid delay and cost of convening further general meeting to approve the issuance of such shares, for purpose of funding future investment project(s), working capital and/or acquisitions.
