#### Explanatory Notes on Special Business:

##### 1. Resolutions 8, 9 & 10

The proposed Resolutions 8, 9 & 10, if passed, will allow the named Directors to act as Independent Directors of the Company notwithstanding that they have served a cumulative term of more than nine years.

The Board and the Nominating Committee after the annual assessment of the Directors' independence have recommended that Dato' Richard Ong Guan Seng, Mr. Leong Keng Yuen and Tuan Haji Mohd Jali @ Mohd Jalil Bin Sany who have served as Directors of the Company for a cumulative term of more than nine years, be re-appointed/appointed as Independent Directors of the Company based on the following justifications:

- (i) they have fulfilled the criteria under definition of Independent Director as stated in the Main Market Listing Requirement of Bursa Malaysia Securities Berhad and therefore would be able to function as a check and balance and bring an element of objectivity to the Board.
- (ii) they each remain independent and actively participate in board discussions and provide an independent and objective voice on the Board.
- (iii) they act in the best interests of all shareholders and their re-appointment/appointment as Independent Directors will provide a check and balance to operational management.

##### 2. Resolution 11

The proposed Resolution 11, if passed, will empower the Directors to issue shares in the Company up to an amount not exceeding in total 10% of the issued share capital of the Company for the time being for such purposes as the Directors consider would be in the interests of the Company. This authority, unless revoked or varied at a general meeting, will expire at the conclusion of the next Annual General Meeting of the Company.

The general mandate sought for issue of shares is a renewal of the general mandate sought in the preceding year. As at the date of Notice, no new shares in the Company were issued pursuant to the mandate granted to the Directors at the Forty-third AGM held on 24<sup>th</sup> November 2012 and hence no proceeds were raised therefrom. The purpose of this general mandate is to allow the Company to take advantage of any strategic opportunities, including but not limited to, issuance of new shares for purpose of funding investment project(s), working capital and/or acquisitions which require new shares to be allotted and issued speedily and would also save the cost involved in convening a general meeting to approve such issuance of shares.
