Explanatory Note On Special Business:

- Resolution pursuant to the Authority to issue Shares
The proposed Resolution No. 6 [Item 5(a)], if passed, will grant a renewed general mandate (Mandate 2013) and empower the Directors of the Company to issue and allot shares up to an amount not exceeding in total ten per centum (10%) of the issued share capital of the Company from time to time and for such purposes as the Directors consider would be in the interest of the Company. In order to avoid any delay and costs involved in convening a general meeting, it is thus appropriate to seek shareholders' approval. This authority will, unless revoked or varied by the Company in general meeting, expire at the next Annual General Meeting of the Company.
The Mandate 2013 will provide flexibility to the Company for allotment of shares for any possible fund raising activities, including but not limited to further placing of shares, for the purpose of funding future investment(s), acquisition(s) and/or working capital.
As at the date of this Notice, the Company did not issue any shares pursuant to the mandate granted to the Directors at the Fourth Annual General Meeting. The Company did not issue any share pursuant to the mandate granted because there was no investment, acquisition or working capital that required fund raising activity.
- Resolution pursuant to the Authority to Purchase its own Shares
The proposed Resolution No. 7 [Item 5(b)], if passed, will give the Directors of the Company authority to purchase its own shares up to ten per centum (10%) of the issued and paid-up share capital of the Company. In order to avoid any delay and costs involved in convening a general meeting, it is thus appropriate to seek shareholders' approval. This authority, unless revoked or varied by the shareholders of the Company in general meeting, will expire at the conclusion of the next Annual General Meeting.
