- Explanatory Notes on Special Business**
Ordinary Resolution 7
Authority to Allot and Issue Shares by Directors pursuant to Section 132D of the Companies Act, 1965
The proposed Ordinary Resolution 7, if passed, will give flexibility to the Directors of the Company to issue shares and allot up to a maximum of ten per centum (10%) of the issued share capital of the Company (excluding treasury shares) at the time of such allotment and issuance of shares and for such purposes as they consider would be in the best interest of the Company without having to convene separate general meetings. This authority, unless revoked or varied at a general meeting, will expire at the conclusion of the next Annual General Meeting of the Company.
The rationale for this resolution is to eliminate the need to convene general meetings from time to time to seek shareholders' approval as and when the Company issues new shares for future business opportunities for the purpose of funding investment projects, working capital and/or acquisitions and thereby reducing administrative time and cost associated with the convening of such meetings. No shares had been issued and allotted by the Company since obtaining the said authority from its shareholders at the last Annual General Meeting held on 19 December 2012 and hence no proceeds were raised therefrom.
Ordinary Resolution 8
Proposed Renewal of Authority for Purchase of Own Shares by the Company
The proposed Ordinary Resolution 8 if passed, will empower the Company to purchase and/or hold up to ten per centum (10%) of the issued and paid-up share of the Company. This authority unless revoked or varied by the Company at a General Meeting will expire at the next Annual General Meeting.
