EXPLANATORY NOTES ON SPECIAL BUSINESS:

I. Ordinary Resolution 1

The Ordinary Resolution 1, if passed, is primarily to give flexibility to the Board of Directors to issue and allot shares at any time in their absolute discretion without convening a general meeting. This is a renewal of a general mandate. The Company did not utilise the mandate granted in the preceding year's Annual General Meeting.

The authority will, unless revoked or varied by the Company in general meeting, will expire at the next Annual General Meeting.

The authority will provide flexibility to the Company for allotment of shares for any possible fund raising activities, including but not limiting to further placing of shares, for the purpose of funding future investment(s), acquisition(s) and/or working capital.

II. Ordinary Resolution 2

Syahriza binti Senan is an Independent Director of the Company who has served the Company for more than nine years.

In line with the Malaysian Code on Corporate Governance 2012, the Nomination Committee has assessed her independence as defined in Bursa Securities Listing Requirements which has not been compromised all these while. In fact, she exercises her judgment in an independent and unfettered manner, discharge her duties with reasonable care, skill and diligent; bringing independent thought and experience to board deliberations and decision making process all these while which is valuable to the Company. To that, the Board recommends Syahriza binti Senan to continue her office as an Independent Director according to the resolution put forth in the forthcoming Annual General Meeting.

Ms Syahriza has met the independence as defined in Bursa Securities Listing Requirements. In addition, the Board assessed her independence annually. Her independence has not been compromised all these while.

III. Ordinary Resolution 3

The Proposed RSM under Ordinary Resolution 3 was intended to renew the shareholders' mandate granted by the shareholders of the Company at an Annual General Meeting of the Company held on 22 March 2013.

The Proposed RSM is to facilitate transactions in the normal course of business of the Company and its subsidiaries ("the Group") which are transacted from time to time with the specified classes of related parties, provided that they are carried out on an arm's length basis and on the Group's normal commercial terms and are not prejudicial to the shareholders on terms not more favorable to the related parties than those generally available to the public and are not to the detriment of the minority shareholders.

By obtaining the shareholders' mandate on an annual basis, the necessity to convene separate general meetings from time to time to seek shareholders' approval as and when such recurrent related party transactions occur would not arise. This would reduce substantial administrative time, inconvenience and expenses associated with the convening of such meetings, without compromising the corporate objectives of the Group or adversely affecting the business opportunities available to the Group.

Further information on Proposed RSM is set out in the Circular to Shareholders of the Company which is dispatched together with the Annual Report of the Company for the financial year ended 30 September 2013.
