EXPLANATORY NOTES TO SPECIAL BUSINESS

The Ordinary Resolution proposed under item 5 of the Agenda is a renewal of the general mandate for issuance of shares by the Company under Section 132D of the Companies Act, 1965. This Ordinary Resolution, if passed, is to empower the Directors to issue shares in the Company up to an amount not exceeding in total ten per centum (10%) of the issued share capital of the Company for such purposes as the Directors consider would be in the interest of the Company. This would avoid any delay and cost involved in convening at a general meeting to approve such an issue of shares. This authority will, unless revoked or varied by the Company at a general meeting, expire at the conclusion of the next annual general meeting or the expiration of the period within which the next annual general meeting is required by law to be held, whichever is the earlier.

This general mandate will provide flexibility to the Company for allotment of shares for any possible fund raising activities, including but not limited to further placing of shares, for the purpose of funding future investment project(s), working capital and/or acquisition(s).

As at the date of this Notice, no new shares in the Company were issued pursuant to the general mandate granted to the Directors at the last annual general meeting held on 21 June 2013 and it will lapse at the conclusion of the Fourth annual general meeting of the Company.
