- Explanatory Note to Ordinary Business of the Agenda 1 (Explanatory Note A):-  
This Agenda item is meant for discussion only as the provision of Section 169(1) of the Act, does not require a formal approval of the shareholders and hence, is not put forward for voting.
  - Explanatory Notes to Special Business of the Agenda 6:
    - Proposed Renewal of Shareholders' Mandate for Recurrent Related Party Transactions of a Revenue or Trading Nature ("RRPTs")**  
The Proposed Resolution 6, if passed, will empower the Company to conduct recurrent related party transactions of a revenue or trading nature which are necessary for the Group's day-to-day operations, and will eliminate the need to convene separate general meetings from time-to-time to seek shareholders' approval. This will substantially reduce administrative time, inconvenience and expenses associated with the convening of such meetings, without compromising the corporate objectives of the Group or adversely affecting the business opportunities available to the Group.
    - Proposed Renewal of Share Buy-Back Authority**  
The Proposed Resolution 7, if passed, would empower the Directors to exercise the power of the Company to purchase its own shares ("the Proposal") by utilising its financial resources not immediately required. The Proposal may have a positive impact on the market price of the Company's shares. This authority, unless revoked or varied at a general meeting, will expire at the conclusion of the next AGM of the Company.
    - Authority to Issue and Allot Shares Pursuant to Section 132D of the Act**  
This mandate for issue and allot of shares was not sought for in the preceding year and the Board is now desirous of seeking a new mandate at this forthcoming AGM. This mandate will provide flexibility for the Company to undertake future possible fund raising activities, including but not limited to placement of shares for purpose of funding the Company's future investment projects, working capital and/or acquisition(s) without having to convene another general meeting.  
The Proposed Resolution 8, if passed, will empower the Board to issue shares in the Company up to an amount not exceeding in total ten percent (10%) of the issued share capital of the Company, subject to compliance with regulatory requirements. The approval is sought to avoid any delay and cost in convening a general meeting for such issuance of shares. This authority, unless revoked or varied by the Company at a general meeting, will expire at the next AGM.

The detailed information on Special Business of Agenda 6 except for Ordinary Resolution 8 as mentioned above is set out in the Circular to Shareholders of the Company dated 29 May 2014 which is despatched together with the Company's 2013 Annual Report.
