Explanatory Notes on Special Business

Resolution No. 6 – Authority to Issue and Allot Shares

The proposed Ordinary Resolution on the Authority to Issue and Allot Shares, if passed, will empower the Directors to issue shares in the Company up to an amount not exceeding in total 10% of the issued share capital of the Company for the time being. The proposed resolution would enable the Directors to avoid delay and cost of convening further general meetings to approve the issue of shares for such purposes. This authority, unless revoked or varied by the Company at a general meeting, will expire at the conclusion of the next Annual General Meeting of the Company.

The Company had obtained the general mandate to issue shares at the Twenty-fourth Annual General Meeting. As at the date of this notice, the Company did not issue any new shares pursuant to this mandate. With the renewed authority to issue shares, the Company will be able to raise funds for the purpose of funding future investment, working capital and/or acquisitions.
