7. Explanatory Note To Special Businesses

Ordinary Resolution 7

The proposed Ordinary Resolution no. 7, if duly passed, will give the Directors of the Company the flexibility to issue and allot new shares in the Company up to an amount not exceeding in total 10% of the issued share capital of the Company for such purposes as the Directors consider would be in the interest of the Company. This authority, unless revoked or varied at a general meeting, will expire at the conclusion of next Annual General Meeting of the Company.

The Company continues to consider opportunities to broaden its earnings potential. If any of the expansion/diversification proposals involves the issue of new shares, the Directors, under certain circumstance when the opportunity arises, would have to convene a general meeting to approve the issue of new shares even though the number involved may be less than 10% of the issued capital.

In order to avoid any delay and costs involved in convening a general meeting to approve such issue of shares, it is thus considered appropriate that the Directors be empowered to issue shares in the Company, up to any amount not exceeding in total 10% of the issued share capital of the Company for the time being, for such purposes. The authority for allotment of shares will provide flexibility to the Company for the allotment of shares for the purpose of funding future investment, working capital and/ or acquisitions.

No shares have been issued and allotted by the Company since obtaining the said authority from its shareholders at the last AGM held on 20 May 2014.
