## **Explanatory Notes on Special Business**

### **(i) Ordinary Resolution 6 – Authority to allot and issue new shares**

The Company wishes to renew the mandate on the authority to issue shares pursuant to Section 132D of the Companies Act 1965 at the Sixth AGM of the Company.

A general mandate has been granted by the shareholders of the Company at the Fifth AGM on 27 June 2014. The previous mandate granted by the shareholders had not been utilised and hence no proceed was raised therefrom.

The Company continues to consider opportunities to broaden its earnings potential. If any of the expansion/diversification proposals involves the issue of new shares, the Directors, under certain circumstance when the opportunity arises, would have to convene a general meeting to approve the issue of new shares even though the number involved may be less than 10% of the issue capital.

In order to avoid any delay and costs involved in convening a general meeting to approve such issue of shares, it is thus considered appropriate that the Directors be empowered to issue and allot shares at any time to such persons/corporations in their absolute discretion for the purpose of funding future investment(s), working capital and/or acquisitions.

### **(ii) Ordinary Resolution 7 – Proposed Renewal of Shareholders' Mandate**

The explanatory notes on the Ordinary Resolutions 7 are set out in the Circular to Shareholders dated 29 May 2015.
