The proposed Ordinary Resolution 7, if passed, will grant a general mandate and empower the Directors to issue shares up to an aggregate amount not exceeding 10% of the issued and paid-up share capital of the Company for the time being, for such purposes as the Directors consider would be in the best interest of the Company without having to convene separate general meetings. This authority, unless revoked or varied at a general meeting, will expire at the conclusion of the next Annual General Meeting.

This general mandate is new and will provide flexibility to the Company for any possible fund raising activities, including but not limited to further placement of shares for purpose of funding future investment, working capital and/or acquisitions.

Proposed Renewal of Existing Shareholders' Mandate for Recurrent Related Party Transactions of a Revenue or Trading Nature

The proposed Ordinary Resolution 8, if passed, will enable the Company and its subsidiaries to enter into recurrent related party transactions of a revenue or trading nature which are necessary for its day-to-day operations and will eliminate the need to convene separate general meeting from time to time to seek shareholders' approval.
