EXPLANATORY NOTES B:

The proposed Ordinary Resolution No. 6, if passed, would, subject to the ACE Market Listing Requirements of Bursa Malaysia Securities Berhad, enable the Directors to allot and issue up to a maximum of ten percent (10%) of the total issued and paid-up share capital of the Company at the date of such issuance for such purpose as the Directors consider would be in the best interest of the Company. This authority, unless revoked or varied by the Company in a general meeting, will expire at the next Annual General Meeting (AGM) of the Company.

The mandate will enable the Directors to take swift action in case of a need for corporate exercise or fund raising activities or in the event business opportunities arise which involve the issuance of new shares and to avoid delay and cost in convening general meetings to approve such issuance of shares. The proceeds raised from the corporate exercises or fund raising activities will be utilized for funding future investment projects, working capital and/or acquisitions.
