Explanatory Notes:

Resolution 1 – Receive Report of the Directors and the Audited Financial Statements

The Agenda item no.1 is meant for discussion only. The provisions of Section 169 of the Companies Act 1965 and the Articles of Association of the Company require that the Audited Financial Statements and the Report of the Directors and Auditors thereon be laid before the Company at its Annual General Meeting. As such, this Agenda item is not a business which requires a resolution to be put to vote by shareholders.

Resolution 6 – Directors' Remuneration

The Company needs to adequately remunerate its Directors so as to be able to attract and retain persons of high calibre and credibility with the necessary skills and experience to be members of the Board of the Company. The Board of Directors takes guidance from studies on Non-Executive directors' remuneration and compensation and market research reports in determining the level of fee appropriate for Directors of the Company. The increase in the proposed directors' fees is due to the fact that the Company does not have an Executive Director on the Board during 2015. As such there is a need to compensate for the greater amount of responsibilities expected of the non-executive members of the Board which include contribution towards development of corporate strategy, monitoring management performance, ensuring accuracy of financial information, overseeing risk management and internal control systems, ensuring financial controls are robust to meet objectives and ensuring proper succession planning for the Company. The skills and experience of the Directors are crucially required at a time when the Company operates amidst very challenging circumstances, against the backdrop of uncertain global economic environment and depressed commodity market.

Resolution 8 (Special Business) – Authority to Allot Shares Pursuant to Section 132D of Companies Act 1965

The proposed ordinary Resolution 8 above, if passed, is to give the Directors of the Company flexibility to issue and allot shares for such purposes as the Directors in their absolute discretion consider to be in the interest of the Company, without having to convene a general meeting subject to the limitation that the aggregate number of shares to be issued does not exceed ten per cent (10%) of the issued share capital of the Company for the time being. This authority will expire at the next Annual General Meeting of the Company or the expiration of the period within which the next Annual General Meeting of the Company is required by law to be held, whichever is the earlier.

As at the date of this notice, no new shares in the Company were issued pursuant to the authority granted to the Directors at the Thirty Sixth Annual General Meeting of the Company held on Tuesday, 27 April 2015. The renewed mandate for the allotment of shares will provide flexibility to the Company for the allotment of shares for the purposes of funding future investment, working capital and/or acquisitions.
