The proposed Ordinary Resolution 6, if passed, will empower the Directors of the Company to issue and allot shares in the Company up to an amount not exceeding ten percent (10%) of the issued capital of the Company for the time being. This authorisation will provide flexibility to the Directors to undertake fund raising activities, including but not limited to placement of shares for the funding of the Company’s future investment projects, working capital, acquisitions and/or implementation of Employees’ Share Option Scheme by the issuance of shares in the Company to such persons at any time as the Directors may deem fit, without having to convene a general meeting.

This authority unless revoked or varied at a general meeting will expire at the next Annual General Meeting of the Company.
