- (e) They have vigilantly safeguarded the interests of the minority shareholders of the Company;
- (f) They have the calibre, qualifications, experiences and personal qualities to challenge management in an effective and constructive manner; and
- (g) They have never compromised on their independent judgement.

Ordinary Resolution 9 - Proposed Renewal of Share Buy-Back

This resolution will empower the Directors of the Company to purchase the Company's shares up to ten per centum (10%) of the issued and paid-up share capital of the Company by utilising the funds allocated which shall not exceed the total retained profits and share premium of the Company. This authority, unless revoked or varied at a general meeting, will expire at the conclusion of the next AGM of the Company.

Further information on the Proposed Renewal of Share Buy-Back are set out in the Share Buy-Back Statement dated 29 June 2016 which has been dispatched together with the Company's Annual Report 2016.

Ordinary Resolution 10 - Authority to issue shares by the company pursuant to Section 132D of the Companies Act, 1965

The proposed Resolution 10 is a renewal of mandate given by the shareholders at the previous AGM held on 18 August 2015, primarily to give flexibility to the Board of Directors to issue and allot shares at any time in their absolute discretion and for such purposes as they consider would be in the interest of the Company without convening a general meeting. This authority, unless revoked or varied at a general meeting, will expire at the next annual general meeting of the Company.

The Company continues to consider opportunities to broaden its earnings potential. If any of the expansion/diversification proposals involves the issue of new shares, the Directors, under certain circumstance when the opportunity arises, would have to convene a general meeting to approve the issue of new shares even though the number involved may be less than 10% of the issue capital.

In order to avoid any delay and costs involved in convening a general meeting to approve such issue of shares, it is thus considered appropriate that the Directors be empowered to issue shares in the Company, up to any amount not exceeding in total 10% of the issued share capital of the Company. The renewed authority will provide flexibility to the Company for the allotment of shares for the purpose of the possible fund raising activities for the purpose of funding future project/investment, working capital and/or acquisitions. This authority, unless revoked or varied at a general meeting will expire at the conclusion of the next AGM of the Company.

No shares have been issued and allotted by the Company since obtaining the said authority from its shareholders at the last AGM held on 18 August 2015.
