Ordinary Resolution 5 - Authority under Section 132D of the Companies Act, 1965 for the Directors to issue shares

The Company wishes to renew the mandate on the authority to issue shares pursuant to Section 132D of the Companies Act 1965 at the Thirteenth Annual General Meeting of the Company. A general mandate had been granted by the shareholders of the Company at the Twelfth Annual General Meeting of the Company held on 27th August 2015. The Company has finally withdrawn the application to Bursa Malaysia Securities Berhad for the extension of time to complete the implementation of the private placement and hence no proceeds were raised.

The purpose to seek the general mandate is to enable the Directors of the Company to issue and allot shares at any time to such persons in their absolute discretion without convening a general meeting as it would be both time and cost-consuming to organise a general meeting. This authority unless revoked or varied by the Company in general meeting, will expire at the next Annual General Meeting. The proposed general mandate will provide flexibility to the Company for any possible fund raising activities, including but not limited to further placing of shares, for purpose of funding future investment projects, business expansion, working capital and/or acquisitions.
