EXPLANATORY NOTES TO SPECIAL BUSINESS

Item 6 of the Agenda

The Ordinary Resolution 6 proposed under item 6 of the Agenda is a general mandate for issuance of shares by the Company under Sections 75 and 76 of the Companies Act 2016. This Ordinary Resolution, if passed, is to empower the Directors to issue shares in the Company up to an amount not exceeding ten per centum (10%) of the total number of issued shares of the Company for such purposes as the Directors consider would be in the interest of the Company. This would avoid any delay and cost involved in convening a general meeting to approve such an issue of shares. This authority will, unless revoked or varied by the Company at a general meeting, expire at the conclusion of the next annual general meeting or the expiration of the period within which the next annual general meeting is required by law to be held, whichever is the earlier.

This new general mandate will provide flexibility to the Company for allotment of shares for any possible fund raising activities, including but not limited to further placing of shares, for the purpose of funding future investment project(s), working capital and/or acquisition(s).
