Explanatory notes on Special Businesses

- Ordinary Resolution 5 - Proposed renewal of the authority for Directors to issue and allot shares
The ordinary resolution 5 above is proposed for the purpose of granting a renewed general mandate for issuance and allotment of shares by the Company under Section 75 of the Act, and if passed, will give the Directors the authority, from the date of the 33rd AGM, to issue and allot shares in the Company at any time up to an aggregate amount not exceeding ten percent (10%) of the issued and paid-up share capital of the Company for such purposes as the Directors may deem fit and in the interest of the Company ("Share Mandate").

As at the date of this notice, the Company has not issued any new shares under the Share Mandate which was approved at the 32nd AGM held on 17 August 2016 and which will lapse at the conclusion of the 33rd AGM.

This Share Mandate, unless revoked or varied at a General Meeting, will expire at the conclusion of the next AGM of the Company. With this Share Mandate, the Company will have the flexibility to undertake any possible fund raising activities, including but not limited to further placing of shares, for any purpose, including funding future investment project(s), working capital and/or acquisition(s) without convening a General Meeting, which may delay the capital raising initiatives and incur relevant costs in organising the required General Meeting.

- Ordinary Resolution 6 - Retention of Independent Director

Datuk Zainun Aishah Binti Ahmad has served the Company as an Independent Non-Executive Director ("NED") since 15 December 2005 for a cumulative period of over nine (9) years and has served as the Chairman of the Board for the last eleven (11) years. Her profile is as set out in the Profile of Directors section of the Annual Report 2017.

In line with the recommendation 3.1 of the Malaysian Code on Corporate Governance 2012, the Board, through the Nomination and Remuneration Committee, has assessed the independence of Datuk Zainun Aishah Binti Ahmad. The Board had at its meeting on 23 May 2017 recommended that Datuk Zainun Aishah Binti Ahmad continue to act as an Independent NED of the Company based on the following justifications:

- that she continues to fulfil the criteria set out in the definition of "Independent Director" in the Main Market Listing Requirements of Bursa Malaysia Securities Berhad;
- that her vast experience and expertise enable the Board to discharge its duties effectively and in a competent manner;
- that although she has served the Company as Independent Director for a cumulative term of more than nine (9) years, she has at all times acted in the best interest of the Company, providing independent views to the deliberations and decision making of the Board and Board Committees and fully understands and provide critical oversight over the Company's objectives and strategies as well as the business operations of the Company and the Board Group;
- she has proven to be a reliable Independent Director with her professionalism, aptitude and business outlook and perspective, devoted sufficient time and attention to her professional obligations for informed and balance decision-making and has also exercised due care and diligence during her tenure in the best interest of the Company and the shareholders; and
- she has provided confirmation in writing that she is independent of the Management, the Board and major shareholders and is free from any business or other relationship which could interfere with the exercise of independent judgment or the ability to act in the best interests of the Company and the Board Group.

The recommendation to retain Datuk Zainun Aishah Binti Ahmad as an Independent NED of the Company is also based on her exemplary leadership and dedication to her responsibilities as the Chairman of the Board and her in-depth understanding and knowledge of the Company's business as well as the strategies and direction of the Company. Her wealth of knowledge and expertise on corporate matters of different industries and environments and her experience in various companies and capacities suits the Company's required mix of skills and Board diversity. There is no doubt that her leadership has ensured an effective check and balance in the proceedings of the Board and the Board Committees, whilst encouraging active participations from all members of the Board. She is practical in her analysis and assessment and provides practical guidance to the Management team in strategy matters. She is also vocal in her outlook and views and has provided the Board with a strong and principled voice. Her unwavering support of the Company's initiatives in implementing different strategies in moving the Company forward and strengthening the Company's credibility and reputation as the leader in the transportation industry proved to be invaluable to the Company especially in times when the general market outlook has been quite uncertain.
