(a) Ordinary Resolution 1

The shareholders had at the 2017 Annual General meeting approved the payment of Directors' Fees of RM80,000 per annum per director for the financial year ended 31 December 2016. The Board is seeking an increase in the Directors' Fees to RM90,000 per annum per director for the financial year 2017 and also for the first six months of 2018 as it will enable the Company to remunerate the directors immediately after the month they have served.

(b) Ordinary Resolution 2

Section 230(1) of the Companies Act, 2016 requires the benefits payable to Directors of the Company to be approved at a general meeting. Shareholders' approval for the payment of meeting attendance allowance in Table A below is sought from the date of passing of this Ordinary Resolution until the next Annual General Meeting.

Table A

Attendance Allowance	Chairman	Member
Board of Directors	2,000	2,000
Audit Committee	10,000	8,000
Nomination Committee	1,500	1,000
Remuneration Committee	1,500	1,000

(c) Ordinary Resolution 7

As the Company's Board Charter sets the tenure of Independent Director at 12 years and Datuk Kamarudin bin Md Ali having served as Independent Director of the Company since 1 March 2007 will reach the twelve (12) years term limit in year 2019, the Board has through the Nomination Committee assessed the independence of Datuk Kamarudin bin Md Ali and recommended that he continues to act as Independent Director of the Company based on the following justifications:-

- He fulfills the criteria under the definition on Independent Director as stated in the Main Market Listing Requirements of Bursa Malaysia Securities Berhad ("Listing Requirements") and, therefore, is able to bring independent and objective judgment to the Board;
- With his years of experience in the Company, he is familiar with the Company's business operations, thus enabling him to contribute actively and effectively during deliberations or discussions at Board meetings;
- His length of service on the Board does not in any way interfere with his exercise of independent judgement. He has remained objective and independent in expressing his views and participating in deliberation and decision-making of the Board and Board Committees;
- He has continued to exercise his independence and due care during his tenure as an Independent Non-Executive Director of the Company and carried out his duties in the interest of the Company and shareholders; and
- He has devoted sufficient time and commitment to discharge his responsibilities as an Independent Director.

The proposed Resolution 7 if passed, will enable Datuk Kamarudin bin Md Ali to continue to act as Independent Director of the Company until the conclusion of next Annual General Meeting of the Company.

(d) Ordinary Resolution 8

The proposed Ordinary Resolution will give powers to the Directors to issue and allot up to a maximum ten per centum (10%) of the total number of issued shares of the Company for the time being for such purposes as the Directors would consider in the best interest of the Company. This authority, unless revoked or varied by the Company at a general meeting, will expire at the next Annual General Meeting of the Company.

The general mandate sought for issue of securities is a renewal of the mandate that was approved by the shareholders on 25 May 2017. The Company did not utilise the mandate that was approved last year. The renewal of the general mandate is to provide flexibility to the Company to issue new securities without the need to convene separate general meeting to obtain its shareholders' approval so as to avoid incurring additional cost and time. The purpose of this general mandate is for possible fundraising exercises including but not limited to further placement of shares for purpose of funding current and/or future investment projects, working capital and/or acquisitions.

(e) Ordinary Resolution 9

Please refer to the Circular to Shareholders dated 26 April 2018 for further information.

(f) Ordinary Resolution 10

The proposed Ordinary Resolution 10, if passed, will empower the Directors to purchase the Company's ordinary shares up to 10% of its total number issued shares of the Company. This authority, unless revoked or varied by the Company at a general meeting, will expire at the next Annual General Meeting.
