9. Explanatory Notes on Special Business
 - 9.1 The proposed Ordinary Resolutions 7 to 9 are by way of two-tier voting and, if passed, will allow the directors namely, Datuk Dr. Anis Bin Ahmad, Datuk Koay Soon Eng and Mr. Tu Shu Yao who have served for more than 12 consecutive years, to continue to act as Independent Non-Executive Directors of the Company for:-
 - They uphold integrity and are able to function as check and balance, provide a broader view and bring an element of objectivity to the Board.
 - Their vast experiences in their respective fields enable them to provide the Board with a diverse set of experiences, expertise and independent judgments.
 - They have performed their duties diligently and in the best interest of the Company and provide a broader view, independent and balanced assessment of proposals from the management.
 - They uphold independent decision and challenge the management objectively.
 - 9.2 The proposed Ordinary Resolution 10 is to give mandate to the Board of Directors of the Company the flexibility to allot new shares in the Company up to an amount not exceeding in total 20% of the total number of issued shares of the Company for the time being for such purposes as the Directors consider would be in the interest of the Company. This authority, unless revoked or varied at a general meeting, will expire at the conclusion of the next Annual General Meeting of the Company.
The Company continues to consider opportunities to broaden its earnings potential. If any of the expansion/ diversification proposals involves the allotment of new shares, the Directors, under certain circumstance when the opportunity arises, would have to convene a general meeting to approve the allotment of new shares even though the number involved may be less than 20% of the total number of issued shares.
In order to avoid any delay and costs involved in convening a general meeting to approve such allotment of shares, it is thus considered appropriate that the Directors be empowered to allot shares in the Company, up to any amount not exceeding in total 20% of the total number of issued shares of the Company at the time of submission, for such purposes. The renewed authority for allotment of shares will provide flexibility to the Company for the allotment of shares for the purpose of funding future investment, working capital and/ or acquisitions.
No shares have been issued and allotted by the Company since obtaining the said authority from its shareholders at the last Annual General Meeting on 28th May 2019.
 - 9.3 The proposed Ordinary Resolutions 11 and 12, if passed, will mandate the Company to enter into the categories of recurrent transactions of a revenue or trading nature with those related parties specified in Section 1.4(ii) of the Circular to Shareholders dated 29th May 2020.
