NOTES ON SPECIAL BUSINESS:

Resolution 7:

The proposed Resolution 7 will give powers to the Directors to issue up to a maximum ten per centum (10%) of the total number of issued shares of the Company for the time being for such purposes as the Directors would consider in the best interest of the Company. This authority, unless revoked or varied by the Company at a general meeting, will expire at the next Annual General Meeting of the Company.

The general mandate sought for issue of securities is a renewal of the mandate that was approved by the shareholders on 25 June 2019. The Company had on 18 April 2019 made an announcement on the proposed private placement of up to 10% of the total number of issued shares utilising the mandate approved by the shareholders on 26 June 2018, and raised RM40,925,719 which has been fully utilised.

The renewal of the general mandate is to provide flexibility to the Company to issue new securities without the need to convene separate general meeting to obtain its shareholders' approval so as to avoid incurring additional cost and time. The purpose of this general mandate is for possible fund raising exercises including but not limited to further placement of shares for purpose of funding current and/or future investment projects, working capital and/or acquisitions or the issuance of shares as consideration for the acquisition of assets.
