Explanatory Notes:-

- Payment of Directors' Fees and Benefits Payable**
Section 230(1) of the Act provides amongst others, that "the fees" of the directors and "any benefits" payable to the directors of a listed company and its subsidiaries shall be approved at a general meeting. The proposed Resolution 1, if approved, will authorise the payment of Directors' fees to the Non-Executive Directors ("NEDs") by the Company for the period from 12 June 2021 to the Twentieth AGM of the Company and to be payable on a monthly basis in arrears after each month of completed service of the Directors. This resolution is to facilitate payment of Directors' fees on current financial year basis. The proposed Resolution 2, if approved, will authorise the payment of Directors' benefits to the Directors by the Company. The proposed Directors' benefits payable is for the period from 12 June 2021 to the Twentieth AGM of the Company and the estimated amount is derived from the estimated meeting allowance based on the number of scheduled meetings. The Directors' benefits comprised of meeting allowance only.
- Authority to Issue Shares of the Companies Act 2016**
The proposed Resolution 6 is intended to renew the authority granted to the Directors of the Company at the Eighteenth AGM of the Company held on 24 July 2020 to issue and allot shares at any time to such persons in their absolute discretion without convening a general meeting provided that the aggregate number of the shares issued does not exceed twenty percent (20%) of the total number of issued shares of the Company for the time being to be utilised until 31 December 2021 and thereafter, the 10% general mandate will be reinstated (hereinafter referred to as the "General Mandate"). As part of the initiative from Bursa Malaysia Securities Berhad ("Bursa Securities") to aid and facilitate listed issuers in sustaining their business or easing their compliance with Bursa Securities' rules, amid the unprecedented uncertainty surrounding the recovery of the COVID-19 outbreak and Movement Control Order imposed by the Government, Bursa Securities had vide Bursa Malaysia Berhad's letter dated 16 April 2020 allow a listed issuer to seek a higher general mandate under Paragraph 6.03 of the Main Market Listing Requirements of Bursa Securities of not more than 20% of the total number of issued shares (excluding treasury shares) for the general issue of new securities. The Board, having considered the current and prospective financial position, needs and capacity of the Group, is of the opinion that the General Mandate is in the best interests of the Company and its shareholders on the following basis:-
• the proposed General Mandate would allow the Company to raise equity financing promptly rather than the more costly and time-consuming process by obtaining shareholders' approval in a general meeting should the need for capital arise.
• other financing alternatives such as debt financing may incur interest expenses to the Group as compared to equity financing.
• the proposed General Mandate would provide a good opportunity for the Company to raise additional capital expeditiously for its operations, future expansion and business development during this challenging time.
• the proposed General Mandate provides the Company with the capability to capture any capital raising and/or prospective investment opportunities if and when they arise and would best serve the Company's interests in its endeavours and potential plans for future expansion. In view of the current volatile and challenging market conditions and that potential transactions may need to be conducted within a short and restricted timeframe, the readily available General Mandate presents the most suitable method for the Company in the interim period prior to the next AGM of the Company. This proposed General Mandate, if passed, will provide flexibility for the Company and empower the Directors of the Company to issue and allot shares at any time to such persons in their absolute discretion. This authority unless revoked or varied by the Company in general meeting, will expire at the next AGM. The proceeds raised from the proposed General Mandate will provide flexibility to the Company for any possible fund-raising activities, including but not limited to further placing of shares, for purpose of funding future investment project(s), working capital and/ or acquisitions.
- Retention as Independent Non-Executive Directors**
Datuk Adillah Binti Ahmad Nordin and Mr. Siow Kee Yen were appointed as Independent Non-Executive Directors of the Company on 2 December 2002, and have served on the Board of Directors ("the Board") for a cumulative term of more than 18 years. In accordance with the Malaysian Code on Corporate Governance, the Board, after having assessed the independence of Datuk Adillah Binti Ahmad Nordin and Mr. Siow Kee Yen, regarded them to be independent based amongst others, the following justifications and recommends that Datuk Adillah Binti Ahmad Nordin and Mr. Siow Kee Yen be retained as Independent Non-Executive Directors of the Company:
a. They have met the independence guidelines as set out in Chapter 1 of Bursa Securities Main Market Listing Requirements;
b. They do not have any conflict of interest with the Company and has not been entering/are not expected to enter into contract(s), especially material contract(s), with the Company and/or its subsidiary companies; and
c. The Board is of the opinion that Datuk Adillah Binti Ahmad Nordin and Mr. Siow Kee Yen are important Independent Non-Executive Directors of the Board in view of their many years on the Board with incumbent knowledge of the Company and the Group's activities and corporate history and have provided invaluable contributions to the Board in their role as Independent Non-Executive Directors.
- Proposed New Shareholders' Mandate and Proposed Renewal of Shareholders' Mandate for Existing Recurrent Related Party Transactions of a Revenue or Trading Nature**
The proposed Resolutions 9 & 10, if approved, will enable the Company and/or its subsidiaries to enter into recurrent related party transactions of a revenue or trading nature which are necessary for the Company's day-to-day operations to facilitate transactions in the normal course of business of the Company with the specified classes of related parties, provided that they are carried out on arms' length basis and on normal commercial terms and are not prejudicial to the shareholders on terms not more favourable to the related parties than those generally available to the public and are not to the detriment of the minority shareholders of the Company. Please refer to the Circular/Statement to Shareholders dated 12 May 2021 for detailed information.
- Proposed Renewal of Share Buy-Back Authority**
The proposed Resolution 11, if passed, will renew the authority given to the Company to purchase its own shares of up to ten per centum (10%) of the total number of issued shares of the Company at any time within the time period stipulated in the Main Market Listing Requirements of Bursa Securities. This authority will, unless revoked or varied at a general meeting, expire at the conclusion of the next AGM of the Company.
