(5) Ordinary Resolution 8 – Re-appointment of Auditors

The Board has reviewed the re-appointment of Messrs. ChengCo PLT as the Auditors of the Company for the financial year ending 31 December 2021 and recommended the same be tabled to the shareholders for approval at the forthcoming First AGM of the Company under Ordinary Resolution 8.

Explanatory Notes to Special Business:-

(6) Ordinary Resolution 9 – Authority to Issue Shares pursuant to the Act

Bursa Securities had vide its letter dated 16 April 2020 granted several additional temporary relief measures to listed corporations, amongst others, an increase in general mandate limit for new issues of securities to not more than 20% of the total number of issued shares of the Company (hereinafter referred to as the “**20% General Mandate**”).

The Company wishes to obtain the 20% General Mandate. The 20% General Mandate, unless revoked or varied by the Company in a general meeting, would expire at the end of the concession period, i.e. by 31 December 2021. Upon the expiration of the concession period, the 10% limit under Paragraph 6.03 of the Main LR will be reinstated and until the conclusion of the Second AGM in year 2022.

After having considered all aspects of the 20% General Mandate, the Board was of the opinion that the adoption of the 20% General Mandate would be in the best interest of the Company and its shareholders, on the following basis:-

- (i) The interest of the Company as well as the interest of its long term shareholders should be in congruence on the sustainability of the Company as only resilient business operations with healthy and sufficient working capital could generate positive returns to the Company and its shareholders.
- (ii) Given the outbreak of Coronavirus disease (“**Covid-19**”) pandemic and the subsequent imposition of the various forms of Movement Control Order by the Malaysian Government to contain the Covid-19 pandemic, the Malaysian economy would have been severely affected. The additional fund raising flexibility through the 20% General Mandate would enable the Company, should it require to do so, to meet its funding requirements for working capital and operational expenditure or even new business opportunity, expeditiously and efficiently, without burdening the shareholders with a separate general meeting during this challenging period.
- (iii) The 20% General Mandate will provide flexibility to the cash flow planning of the Company should the Company requires additional funding for the operation of its core business of sports shoe manufacturing in China and/or other business operations and/or execution of business contingency strategies to mitigate the financial impact of Covid-19 pandemic.

This is the first general mandate sought by the Company since its listing on the Main Market of Bursa Malaysia Securities Berhad on 27 May 2021.
