Explanatory Note on Ordinary Business

10. Audited Financial Statements for financial period ended 31 March 2021

The audited financial statements are laid in accordance with Section 340(1)(a) of the CA 2016 for discussion only under Agenda 1. They do not require shareholders' approval and hence, will not be put forward for voting.

Explanatory Note on Special Business

11. Authority to Allot and Issue Shares Pursuant to Sections 75 and 76 of the CA 2016

The proposed Ordinary Resolution 7, is proposed for the purpose of renewing the general mandate for issuance of shares by the Company under Sections 75 and 76 of the CA 2016. The Ordinary Resolution 7, if passed, will give the Directors of the Company authority to issue and allot shares at any time to such persons in their absolute discretion without convening a general meeting provided that the aggregate number of the shares issued does not exceed 20% of the total number of issued shares of the Company for the time being to be utilised until 31 December 2021, after that, the 10% limit under Rule 6.04 of Ace Market Listing Requirements ("**AMLR**") of Bursa Securities will be reinstated (hereinafter referred to as the "**General Mandate**").

As part of the initiative from Bursa Securities to aid and facilitate listed issuers in sustaining their business or easing their compliance with Bursa Securities' rules, amid the unprecedented uncertainty surrounding the recovery of the COVID-19 outbreak and Movement Control Order imposed by the Government, Bursa Securities had vide Bursa Malaysia Berhad's letter dated 16 April 2020 allow a listed issuer to seek a higher general mandate under Rule 6.04 of AMLR of Bursa Securities of not more than 20% of the total number of issued shares (excluding treasury shares) for the general issue of new securities.

The General Mandate will provide flexibility to the Company to raise additional funds expeditiously and efficiently during this challenging time, to meet its funding requirements including but not limited to funding future investment project(s), working capital and/or acquisitions.

The Board, having considered the current and prospective financial position, needs and capacity of the Group, is of the opinion that the General Mandate is in the best interests of the Company and its shareholders.
