2. Resolutions 2 to 6 – Re-election of Directors

The Nominating Committee ("NC") has considered the performance and contribution of each of the retiring Directors and have also assessed the independence of the Independent Non-Executive Director ("ID") seeking for re-election at the 97th AGM.

Based on the results of the Board Annual Assessment conducted for the financial year ended 30 June 2021, the performance of each of the retiring Directors was found to be satisfactory with the retiring ID complied with the independence criteria as required by the MMLR.

The Board has endorsed the NC's recommendation on the re-election of the retiring Directors. The retiring Directors had abstained from deliberations and decisions on their own re-election at the NC and Board meetings.

The details and profiles of the Directors who are standing for re-election at the 97th AGM are provided in the Board of Directors section on pages 4 to 7 of the Company's Annual Report 2021.

3. Resolution 8 – Authority to Directors to Allot Shares

The proposed Ordinary Resolution, if passed, will renew the general mandate given to the Directors of the Company to allot ordinary shares of the Company from time to time and expand the mandate to grant rights to subscribe for shares in the Company, convert any security into shares in the Company, or allot shares under an agreement or option or offer, provided that the aggregate number of shares issued and allotted, to be subscribed under any rights granted, to be issued from conversion of any security, or to be issued and allotted under an agreement or option or offer, pursuant to this resolution does not exceed 10% of the total number of issued shares of the Company for the time being ("Renewed General Mandate"). In computing the authority, or to be issued and allotted, to be subscribed pursuant to the approval of shareholders in a general meeting where precise terms and conditions are approved shall not be counted. The Renewed General Mandate, unless revoked or varied at a general meeting, will expire at the conclusion of the next AGM of the Company.

As at the date of this Notice, no new shares in the Company were issued and allotted pursuant to the general mandate given to the Directors at the last AGM held on 6 November 2020 and which will lapse at the conclusion of the 97th AGM. The Renewed General Mandate will enable the Directors to take swift action in case of, inter alia, a need for corporate exercises or in the event business opportunities or other circumstances arise which involve the issuance and allotment of new shares, grant of rights to subscribe for shares, conversion of any security into shares, or allotment of shares under an agreement or option or offer, and to avoid delay and cost in convening general meetings to approve the same.

5. Resolution 12 – Proposed Authority for the Purchase of Own Shares by the Company

The proposed Ordinary Resolution, if passed, will empower the Directors to exercise the power of the Company to purchase its own shares ("Proposed Share Buyback") up to 10% of the total number of issued shares of the Company by utilising its financial resources not immediately required.
