The proposed Ordinary Resolution 8 if passed, will empower the Company to purchase and/or hold up to ten percent (10%) of the total number of issued MYEG Shares. This authority unless revoked or varied by the Company at a general meeting will expire at the 22nd AGM of the Company.

Please refer to the statement to shareholders in relation to the proposed renewal of authority for purchase of own shares by MYEG dated 27 April 2022 for further information.

(E) Ordinary Resolution 9 – Proposed Authority to Allot and Issue Shares by Directors pursuant to Sections 75 and 76 of the Act

The proposed Ordinary Resolution 9 is a renewal of the general mandate for issuance of shares by the Company under Sections 75 and 76 of the Act.

The mandate, if passed, will give flexibility to the Directors of the Company to issue shares and allot up to a maximum of 10% of the total number of issued MYEG Shares (excluding treasury shares) at the time of such allotment and issuance of MYEG Shares and for such purposes as they consider would be in the best interest of the Company without having to convene separate general meetings. This authority, unless revoked or varied at a general meeting, will expire at the conclusion of the 22nd AGM of the Company.

The rationale for this resolution is to eliminate the need to convene general meeting(s) from time to time to seek shareholders' approval as and when the Company issues new MYEG Shares for future business opportunities for the purpose of funding investment project(s), working capital and/or acquisitions and thereby reducing administrative time and cost associated with the convening of such meeting(s).

The Company had on 29 October 2021 issued and allotted about 2.92% of the total number of issued shares (excluding treasury shares), representing 210,000,000 ordinary shares ("Placement Shares") via a private placement and raised proceeds amounting to RM214,200,000 to fund the development of healthcare related services and healthcare related technology, development of automated driving test and training system and purchase of hardware, development of blockchain products and services, working capital and estimated expenses for the private placement.

The Company had subsequently on 4 April 2022 sought the approval from Bursa Securities for an extension of time of 6 months from 26 April 2022 to 25 October 2022 for the Company to complete the implementation of the share placement.

The status of utilisation from the proceeds of RM214,200,000 are set out under the Additional Compliance Information in the Annual Report 2021.
