Ordinary Business

- Audited Financial Statements for financial year ended 31 July 2022**
The audited financial statements are laid in accordance with Section 340(1)(a) of the Companies Act 2016 for discussion only under Agenda 1. They do not require shareholders' approval and hence, will not be put for voting.
- Ordinary Resolution 1 - To approve the payment of Directors' fees and benefits of up to an aggregate amount of RM300,000.00 to the Non-Executive Directors for the period from 1 August 2022 until the conclusion of the next AGM of the Company**
Pursuant to Section 230(1) of the Companies Act 2016, the fees of the directors and any benefits payable to the directors of the Company and its subsidiaries shall be approved at a general meeting.
The Ordinary Resolution 1 is to seek shareholders' approval on the payment of Directors' fees and benefits to the Non-Executive Directors which have been reviewed by the Remuneration Committee and the Board of Directors of the Company, which recognises that the payment of fees and benefits is in the best interest of the Company. In determining the estimated total amount of fees and benefits, the Board considered various factors including the number of scheduled meetings as well as the number of Directors involved in these meetings for the period from 1 August 2022 until the next AGM. In the event that the proposed amount is insufficient (due to enlarged Board size and additional number of meetings), approval will be sought at the next AGM to meet the shortfall.
- Ordinary Resolutions 2 and 3 - Re-election of Directors**
Clause 165.1 of the Company's Constitution states that one-third (1/3) of the Directors shall retire from office and shall be eligible for re-election at each Annual General Meeting. All the Directors shall retire from office at least once in each three (3) years but shall be eligible for re-election. A retiring Director shall retain office until the close of the meeting at which he retires.
In determining the eligibility of the Directors due for retirement to stand for re-election at the forthcoming 2nd AGM, the Nomination Committee has assessed the retiring Directors and was satisfied with the outcome of the fit and proper assessment and the Independent Non-Executive Director has provided confirmation of his independence.
The Board approved the Nomination Committee's recommendation for the re-election of the retiring Directors pursuant to Clause 165.1 of the Company's Constitution at the forthcoming 2nd AGM of the Company. During a Board Meeting, the retiring Directors have offered themselves for re-election, and abstained from deliberation as well as decision on their own eligibility to stand for re-election at the forthcoming 2nd AGM.

Special Business

- Ordinary Resolution 5- Authority pursuant to Sections 75 and 76 of the Companies Act, 2016 for the Directors to allot and issue shares**
The proposed Ordinary Resolution 5, if passed, will give authority to the Directors to allot and issue up to a maximum of ten per centum (10%) of the total number of issued shares of the Company at any time in their absolute discretion and that such authority shall continue in force until the conclusion of the next annual general meeting of the Company or the expiration of the period within which the next annual general meeting is required by law to be held or revoked/varied by resolution passed by the shareholders in general meeting whichever is the earlier.
By voting in favour, the shareholders of the Company will waive their statutory pre-emptive right and thus will allow the Directors to issue new shares to any person under the General Mandate without having to offer the new shares to be issued equally to all existing shareholders of the Company prior to issuance.
This new general mandate will provide flexibility to the Company for any possible fund-raising activities, including but not limited to placing of shares, for purpose of funding future investment project(s), working capital and/or acquisitions.
At this juncture, there is no decision to issue new shares but the Directors consider it desirable to have the flexibility permitted to respond to market developments and to enable allotments to take place to finance business opportunities without making a pre-emptive offer to existing shareholders. If there should be a decision to issue new shares after the general mandate is obtained, the Company will make an announcement in respect thereof.
