TRADING IDEAS

Source: Bursa Station

TECHNICAL BUY
EURO (7208)

Target Price	RM0.125, RM0.140
Last closing price	RM0.115
Potential return	8.6%, 21.7%
Support	RM0.105
Stop Loss	RM0.095

- Possible for sideways breakout.** EURO is potentially staging a breakout from its sideways channel, with anticipation of continuous improvement in both momentum and trend in the near term. Should immediate resistance level of RM0.125 be broken with renewed buying interest, it may continue to lift price higher to subsequent resistance level of RM0.140.

However, failure to hold on to support level of RM0.105 may indicate weakness in the share price and hence, a cut-loss signal.

TECHNICAL BUY

SKBSHUT-WA (7115WA)

Target Price	RM0.110, RM0.125
Last closing price	RM0.100
Potential return	10.0%, 25.0%
Support	RM0.095
Stop Loss	RM0.080

- Possible for sideways breakout.** SKBSHUT-WA is potentially staging a breakout from its sideways channel, with anticipation of continuous improvement in both momentum and trend in the near term. Should immediate resistance level of RM0.110 be broken with renewed buying interest, it may continue to lift price higher to subsequent resistance level of RM0.125. Note that the maturity date of SKBSHUT-WA is on 10 Feb 2025.

However, failure to hold on to support level of RM0.095 may indicate weakness in the share price and hence, a cut-loss signal.

TECHNICAL RATING CLASSIFICATION

TECHNICAL BUY	The stock return is expected to exceed 10% or higher over the next 2 months
TRADING BUY	The stock return is expected to be 5-10% over the next 1-2 months. Upside potential may or may not be sustainable; therefore tight stop loss must be exercised
TAKE PROFIT	The stock return is expected to be below 5% or more over the next 1 month
TECHNICAL SELL	The stock return is expected to be below 10% or more over the next 2 months

TECHNICAL TRADING TIPS

Always trade in the direction of the trend. A trend is your friend till it bends.

In uptrends, buy the dips; in downtrends, sell bounces.

Use protective stop loss to limit losses.

Cut losses short, let your profits run.

Add only to winning positions, never add to losing positions.

Do not trade impulsively; have a plan.

DISCLAIMER

This document has been prepared solely for information and private circulation only. It is for distribution under such circumstances as may be permitted by applicable law. The information contained herein is prepared from data and sources believed to be reliable at the time of issue of this document. The views/opinions expressed herein are subject to change without notice and solely reflects the personal views of the analyst(s) acting in his/her capacity as employee of Public Investment Bank Berhad ("PIVB"). PIVB does not make any guarantee, representations or warranty neither expressed or implied nor accepts any responsibility or liability as to its fairness liability adequacy, completeness or correctness of any such information and opinion contained herein. No reliance upon such statement or usage by the addressee/anyone shall give rise to any claim/liability for loss of damage against PIVB, Public Bank Berhad, its affiliates and related companies, directors, officers, connected persons/employees, associates or agents.

This document is not and should not be construed or considered as an offer, recommendation, invitation or a solicitation of an offer to purchase or subscribe or sell any securities, related investments or financial instruments. Any recommendation in this document does not have regards to the specific investment objectives, financial situation, risk profile and particular needs of any specific persons who receive it. We encourage the addressee of this document to independently evaluate the merits of the information contained herein, consider their own investment objectives, financial situation, particular needs, risks and legal profiles, seek the advice of their, amongst others, tax, accounting, legal, business professionals and financial advisers before participating in any transaction in respect of any of the securities of the company(ies) covered in this document.

PIVB, Public Bank Berhad, our affiliates and related companies, directors, officers, connected persons/employees, associates or agents may own or have positions in the securities of the company(ies) covered in this document or any securities related thereto and may from time to time add or dispose of, or may be materially interested in, any such securities. Further PIVB, Public Bank Berhad, our affiliates and related companies, associates or agents do and/or seek to do business with the company(ies) covered in this document and may from time to time act as market maker or have assumed an underwriting commitment in the securities of such company(ies), may sell them or buy them from customers on a principal basis, may have or intend to accommodate credit facilities or other banking services and may also perform or seek to perform investment banking, advisory or underwriting services for or relating to such company(ies) as well as solicit such investment advisory or other services from any entity mentioned in this document. The analyst(s) and associate analyst(s) principally responsible for the preparation of this document may participate in the solicitation of businesses described aforesaid and would receive compensation based upon various factors, including the quality of research, investor client feedback, stock pickings and performance of his/her recommendation and competitive factors. The analyst(s) and associate analyst(s) may also receive compensation or benefit (including gift and company/issuer-sponsored and paid trips in line with the Bank's policies) in executing his/her duties. Hence, the addressee or any persons reviewing this document should be aware of the foregoing, amongst others, may give rise to real or potential conflicts of interest.
