6. SPECIAL BUSINESS – RESOLUTION 5

The Company had during its 20<sup>th</sup> AGM held on 14 June 2022, obtained its shareholders' approval for the general mandate pursuant to Section 76 of the Companies Act 2016 and subject to the approval of all relevant authorities being obtained, the directors be empowered for the purposes of Section 75(1) of the Companies Act 2016 to issue shares in the Company at any time and upon such terms and conditions and for such purposes as the directors may, in their absolute discretion deem fit, provided that the aggregate number of shares issued pursuant to this resolution does not exceed ten percent (10%) of the issued and paid-up capital of the Company for the time being and that such authority shall continue in force until the conclusion of the next AGM be hereby approved. The Company did not issue any shares pursuant to the said mandate.

This Proposed Resolution 5 which is an Ordinary Resolution, if passed, will grant a renewed general mandate and waiver of the statutory pre-emptive rights which will provide flexibility for the Company and will empower the directors to issue new shares in the Company up to an amount not exceeding in total ten percent (10%) of the issued share capital of the Company for the purpose of funding current and/or future investment projects, working capital, and/or strategic development of the Group. This would eliminate any delay arising from and cost involved in convening a general meeting to obtain approval of the shareholders for such issuance of shares. This authority, unless revoked or varied at a general meeting, will be valid until the conclusion of the next AGM.

At this juncture, there is no decision to issue new shares. If there should be a decision to issue new shares after the general mandate is sought, the Company shall make an announcement in respect thereof.

7. SPECIAL BUSINESS – RESOLUTION 6

The Proposed Share Buy-Back of up to ten percent (10%) of the issued and paid-up share capital, if approved by the shareholders of the Company, will enable the Company to make purchases of ordinary shares comprised in the Company's issued and paid-up ordinary share capital.
