The payment of fees to the Non-Executive Members of the Board is on a monthly basis. This is to commensurate and compensate the Non-Executive Directors for their time and effort contributed to the Company on an on-going basis throughout the year whereas the additional fee for the Chairman of the ARMC is to commensurate and compensate him for his additional responsibilities as chairman of the ARMC.

Section 230(1) of the CA 2016 provides that "any benefits" payable to the Directors of a listed company and its subsidiaries shall be approved at a general meeting.

At the 17th AGM held on 29 December 2022, the shareholders of the Company had approved the payment of daily meeting attendance allowances to the Non-Executive Directors from the conclusion of 17th AGM until the conclusion of the 18th AGM. These allowances were intended to defray their travelling and other incidental costs for attending Board, Board committees and shareholders' meetings.

The Board had accepted the RC's proposal as it opined that it is fair and reasonable.

5. Ordinary Resolutions 4 and 5 - Re-election of directors pursuant to Article 106 of the Constitution

Article 106 of the Constitution expressly states that at every AGM, at least one-third of the Directors for the time being, or the number nearest to one-third, shall retire from office. They had abstained from all deliberations and decisions on their eligibility to stand for re-election at the relevant NC and/or Board meetings and will continue to abstain from all deliberations and decisions on their eligibility to stand for re-election at this AGM.

The appointment of Moore Stephens as auditors has been considered by the ARMC, against the relevant criteria prescribed by Rule 15.21 of the AMLR.

The proposed Ordinary Resolution 9 is proposed for the purpose of renewing the general mandate for issuance of shares by the Company under Sections 75 and 76 of the CA 2016. The Ordinary Resolution 9, if passed, will give the Directors of the Company authority to allot and issue shares at any time to such persons in their absolute discretion without convening a general meeting provided that the aggregate number of the shares issued does not exceed 10% of the total number of issued shares of the Company.

The Proposed General Mandate will provide flexibility to the Company to raise additional funds expeditiously and efficiently during this challenging time, to meet its funding requirements including but not limited to funding future investment project(s), working capital and/or acquisitions.

By approving the allotment and issue of the Company's shares pursuant to the Proposed General Mandate which will rank the equally with the existing issued shares in the Company, the shareholders of the Company are deemed to have waived their pre-emptive rights pursuant to Section 85 of the CA 2016 and Article 52 of the Constitution of the Company to be first offered the Company's Shares which will result in a dilution to their shareholdings percentage in the Company.

The Board, having considered the current and prospective financial position, needs and capacity of the Group, is of the opinion that the Proposed General Mandate is in the best interests of the Company and its shareholders.
