To: The Unit Holders

Dear Sir/Madam,

- (I) **PROPOSED CHANGE OF BENCHMARK; AND**
- (II) **PROPOSED CHANGE OF DISTRIBUTION POLICY**

1. INTRODUCTION

1.1 Proposed Change of Benchmark

Currently, the benchmark of the Fund is FTSE Bursa Malaysia KLCI ("**Benchmark**"). As the Manager intends to submit an application to the Securities Commission Malaysia for the Fund to be qualified as an SRI fund under the Guidelines on Sustainable and Responsible Investment Funds ("**Proposed Application**"), the Manager is proposing to change the benchmark of the Fund to FTSE4Good Bursa Malaysia Index ("**Proposed Benchmark**") for the purpose of attaining the policies and strategies of the Fund as an SRI fund.

1.2 Proposed Change of Distribution Policy

Currently, the Fund only declares distribution out of its realised gains or realised income. Cash distributions, if any, are expected to be made semi-annually.

The Manager is proposing to change the distribution policy of the Fund to allow the Fund to declare distribution out of the Fund's capital in addition to the Fund's realised gains or realised income.

THE PURPOSE OF THIS CIRCULAR IS TO PROVIDE YOU WITH THE RELEVANT INFORMATION ON THE PROPOSALS AND TO SEEK YOUR APPROVAL FOR THE RESOLUTIONS TO GIVE EFFECT TO THE PROPOSALS TO BE TABLED AT THE FORTHCOMING UNIT HOLDERS' MEETING. THE NOTICE OF UNIT HOLDERS' MEETING AND THE FORM OF PROXY FOR THE UNIT HOLDERS' MEETING ARE ENCLOSED TOGETHER WITH THIS CIRCULAR.

YOU ARE ADVISED TO READ AND CONSIDER THE CONTENTS OF THIS CIRCULAR CAREFULLY BEFORE VOTING ON THE RESOLUTIONS TO GIVE EFFECT TO THE PROPOSALS TO BE TABLED AT THE FORTHCOMING UNIT HOLDERS' MEETING.

2. DETAILS OF THE PROPOSALS

2.1 Proposed Change of Benchmark

2.1.1 Background Information of the Fund and its Benchmark

The Fund was established on 7 June 2007 and is listed on the Main Market of Bursa Securities. The Fund's investment objective is to achieve a price and yield performance, before fees, expenses and tax, that is generally similar to that of the Benchmark, balanced with the need to facilitate liquidity provision.

The Benchmark represents the top thirty (30) companies listed on the Main Market of Bursa Securities based on investable market capitalization. It is free-float adjusted and liquidity-screened to give investors a highly investable and tradable index which remains characteristic of the underlying market. The index will be calculated by FTSE International Limited according to transparent, publicly available rules and overseen by a committee of independent market practitioners who will review the index twice a year in June and December.

As at the LPD, the top ten (10) constituents of the Benchmark and its weightings are as follows:

No.	Stock Code	Stock Name	Weights (%)
1	1155	Malayan Banking Berhad	11.28
2	1295	Public Bank Bhd	10.47
3	1023	CIMB Group Holdings Berhad	7.97
4	5347	Tenaga Nasional Bhd	6.34
5	5183	PETRONAS Chemicals Group Bhd	3.48
6	8869	Press Metal Aluminium Holdings	2.91
7	6947	Celcomdigi	2.76
8	5285	Sime Darby Plantation	2.75
9	4863	Telekom Malaysia	2.50
10	6033	Petronas Gas	2.29
Total			52.74

2.1.2 Proposed Change of Benchmark of the Fund

The Proposed Change of Benchmark is premised on the Proposed Application. If the Fund is qualified as an SRI fund, the Fund will track the Proposed Benchmark with effect from the date of issuance of a replacement prospectus for the Fund.

The constituents of the Proposed Benchmark are all ESG-compliant due to the methodology used to construct the Proposed Benchmark. The constituents of the Proposed Benchmark are selected from the top two hundred (200) Malaysian stocks in the FTSE Bursa Malaysia EMAS Index, screened in accordance with transparent and defined ESG criteria. The Proposed Benchmark selects companies that demonstrate a leading approach to addressing ESG risks. The Proposed Benchmark is aimed to support investors in making ESG investments in Malaysian listed companies, increase the profile and exposure of companies with leading ESG practices, encourage best practice disclosure and support the transition to a lower carbon and more sustainable economy.

To be included in the Proposed Benchmark, companies will need to meet a variety of ESG inclusion criteria. The criteria are consistent with the global ESG model that FTSE International Limited has developed and draw strongly from leading global disclosure frameworks such as the Global Reporting Initiative and Carbon Disclosure Project. The composition of the Proposed Benchmark is reviewed semi-annually in June and December and the company ESG ratings assessment is conducted once a year.

The Proposed Benchmark is designed to highlight companies that demonstrate a leading approach to addressing ESG risks. The FTSE Russell ESG Ratings form the engine for the FTSE4Good indices. Companies will need to achieve a rating of 2.9 or higher for index inclusion in addition to passing certain additional screens i.e. tobacco, weapons and companies on controversy monitor are not added to the Proposed Benchmark.

Further information and details on the Proposed Benchmark can be obtained from https://www.bursamalaysia.com/trade/our_products_services/indices/ftse4good-bursa-malaysia-f4gbm-index.

The Fund will invest in the constituents of the Proposed Benchmark and rebalanced at least semi-annually when reviewing the Fund and the benchmark constituents as it is the Fund's strategy to invest at least ninety-five per centum (95%) of its net asset value in the constituents of the Proposed Benchmark.

In view of the above, the Manager is of the view that the Proposed Change of Benchmark may affect the interests of Unit Holders as it may result in changes to the risk profile of the Fund. Accordingly, the resolution proposed to give effect to the Proposed Change of Benchmark would require approval by not less than two-thirds (2/3) of all Unit Holders present in person or by proxy at the Unit Holders' Meeting.

The resolution, if passed, will allow the Manager and/or the Trustee to do all such things necessary to give effect to the Proposed Change of Benchmark, including but not limited to changing the name of the Fund.

2.2 Proposed Change of Distribution Policy

Based on the Fund's history of income distribution, the Fund has generally been declaring income distribution, whenever it is able to, and the Manager intends to continue doing so. The proposed distribution out of the Fund's capital would allow the Fund the ability to continue distributing income on a semi-annual basis to the Unit Holders, whenever appropriate, from the Fund's undistributed income accumulated from previous financial years, unrealised income and/or unrealised gains. Although the Manager intends to declare distribution from the Fund's realised gains and realised income, the Manager would like to also have the flexibility to: (i) declare distribution out of capital for the Fund when the Fund has insufficient realised gains or realised income to do so, or (ii) increase the amount of distributable income to the Unit Holders after taking

into consideration the investment objective of the Fund and the risk of distributing out of capital for the Fund.

If the resolution is passed, and if the Fund declares distribution out of its capital, Unit Holders should be aware that the Fund's capital will be eroded, the distribution is achieved by foregoing the potential for future capital growth and this cycle may continue until all capital is depleted. The greater the risk of capital erosion that exists, there is likelihood that, due to capital erosion, the value of future returns would also be diminished.

The Manager is of the view that the Proposed Change of Distribution Policy may affect the interests of Unit Holders as it may reduce the Fund's capital available for future investment and subsequently affect the value of the Unit Holders' investments in the Fund. Accordingly, the resolution proposed to give effect to the Proposed Change of Distribution Policy would require approval by not less than two-thirds (2/3) of all Unit Holders present in person or by proxy at the Unit Holders' Meeting.

The resolution, if passed, will allow the Manager and/or the Trustee to do all such things necessary to give effect to the Proposed Change of Distribution Policy.

3. UNIT HOLDERS' MEETING

The Unit Holders' Meeting, the notice of which is enclosed with this Circular, will be held at **Level 7, Dewan AmBank Group, Bangunan AmBank Group, No. 55 Jalan Raja Chulan, 50200 Kuala Lumpur** on **Wednesday, 6 March 2024** at **10.45 a.m.** for the purpose of considering and if thought fit, to pass with or without modification, the resolutions so as to give effect to the Proposals.

The resolutions will be put to vote by way of poll and the Manager will appoint at least one (1) scrutineer to validate the votes cast at the Unit Holders' Meeting.

For further information, please refer to the notice of Unit Holders' Meeting and the form of proxy for the Unit Holders' Meeting enclosed together with this Circular.

4. DOCUMENTS AVAILABLE FOR INSPECTION

Copies of the Deed are available for inspection at the business office of the Manager during normal business hours (except public holidays) from the date of this Circular up to and including the date of the forthcoming Unit Holders' Meeting.

Yours faithfully
For and on behalf of the Board of
AmFunds Management Berhad

Goh Wee Peng
