3. Resolution 7 – Authority to Directors to Allot Shares and Waiver of Pre-emptive Rights

The proposed Ordinary Resolution, if passed, will renew the general mandate given to the Directors of the Company to allot Shares of the Company from time to time and expand the mandate to grant rights to subscribe for Shares in the Company, convert any security into Shares in the Company, or allot Shares under an agreement or option or offer, provided that the aggregate number of Shares issued and allotted, to be subscribed under any rights granted, to be issued from conversion of any security, or to be issued and allotted under an agreement or option or offer, pursuant to this resolution does not exceed 10% of the total number of issued Shares (excluding treasury shares) of the Company for the time being ("Renewed general Mandate"). In computing the aforesaid 10% limit, Shares issued or agreed to be issued or subscribed pursuant to the approval of shareholders in a general meeting where precise terms and conditions are approved shall not be counted. The Renewed General Mandate, unless revoked or varied at a general meeting, will expire at the conclusion of the next AGM of the Company.

As at the date of this Notice, no new Shares in the Company were issued and allotted pursuant to the general mandate given to the Directors at the last AGM held on 10 November 2023 and which will lapse at the conclusion of the 100th AGM. The Renewed General Mandate will enable the Directors to take swift action in case of, inter alia, a need for corporate exercises or in the event business opportunities or other circumstances arise which involve the issuance and allotment of new Shares, grant of rights to subscribe for Shares, conversion of any security into Shares, or allotment of Shares under an agreement or option or offer, and to avoid delay and cost in convening general meetings to approve the same.

Please refer Section 85(1) of the Act and Clause 50 of the Company's Constitution as detailed below.

4. Resolutions 8 to 10 – Proposed Renewal of Shareholders' Mandate for Recurrent Related Party Transactions of a Revenue or Trading Nature

The proposed Ordinary Resolutions, if passed, will empower the Company and/or its subsidiaries to enter into recurrent related party transactions of a revenue or trading nature which are necessary for the day-to-day operations of the Company and its subsidiaries, subject to the transactions being in the ordinary course of business and on terms which are not more favourable to the related parties than those generally available to and/or from the public and are not, in the Company's opinion, detrimental to the minority shareholders of the Company ("Proposed Shareholders' Mandate").

5. Resolution 11 – Proposed Renewal of Authority for the Purchase of Own Shares by the Company

The proposed Ordinary Resolution, if passed, will empower the Directors to exercise the power of the Company to purchase its own shares ("Proposed Share Buyback") up to 10% of the total number of issued shares of the Company by utilising its financial resources not immediately required. This authority, unless revoked or varied at a general meeting, will expire at the conclusion of the next AGM of the Company.

Details of Section 85(1) of the Act and Clause 50 of the Company's Constitution

Pursuant to Section 85(1) of the Act read together with Clause 50 of the Company's Constitution, shareholders have pre-emptive rights to be offered any new Shares in the Company which rank equally to the existing issued Shares or other convertible securities.

Section 85(1) of the Act provides as follows:

"85. Pre-emptive rights to new shares

(1) Subject to the constitution, where a company issues shares which rank equally to existing shares as to voting or distribution rights, those shares shall first be offered to the holders of existing shares in a manner which would, if the offer were accepted, maintain the relative voting and distribution rights of those shareholders."

Clause 50 of the Company's Constitution provides as follows:

"50. Subject to any direction to the contrary that may be given by the Company in general meeting, all new shares or other convertible securities, shall, before issue, be offered to such persons as at the date of the offer are entitled to receive notices from the Company of general meetings in proportion as nearly as the circumstances admit, to the amount of the existing shares or securities to which they are entitled...

Subject to the provisions of this Constitution, the Directors may recognise a renunciation of any share by the allottee thereof in favour of some other person."

In order for the Board to issue any new Shares or other convertible securities free of pre-emptive rights, such pre-emptive rights must be waived. The proposed ordinary resolutions, if passed, will exclude your pre-emptive rights over all new Shares, options over or grant of new Shares or any other convertible securities in the Company and/or any new Shares to be issued pursuant to such options, grants or other convertible securities under the Authority To Directors To Allot Shares.

Detailed information on the Proposed Shareholders' Mandate and Proposed Share Buyback are set out in the Circular to Shareholders dated 29 October 2024 which is available on the Company's website at <https://guocoland.com.my/investor-relations>.
