Quarterly report on consolidated results for the second quarter ended 30 June 2009

# B. ADDITIONAL INFORMATION REQUIRED BY THE MAIN MARKET LISTING REQUIREMENTS OF BURSA SECURITIES

#### **B1.** Review of Performance

For the quarter ended 30 June 2009, the Group recorded revenue of RM13.09 million, representing an increase of approximately 11.98% as compared to RM11.70 million achieved in the preceding year's corresponding quarter ended 30 June 2008. The increase was mainly attributable to the improved in sales of value-added solutions and maintenance in the domestic market during the current quarter under review. The Group however incurred a loss before taxation of RM2.45 million as compared to a loss before taxation of RM1.51 million in the preceding year's corresponding quarter ended 30 June 2008. The higher loss before taxation was mainly due to an increase in the operational costs as a result of the continued regional expansion as well as the write-down of stocks used as demonstration sets for customers, for testing purposes, and for warranty claims.

For the six (6) months period ended 30 June 2009, the Group recorded revenue of RM23.61 million, representing an increase of 2.16% as compared to RM23.11 million achieved in the preceding year's corresponding period. The Group recorded a loss before taxation of RM5.53 million for the current six (6) months period ended 30 June 2009 as compared to loss before taxation of RM2.00 million recorded in the preceding year's corresponding period. The loss was mainly due to increased operational costs and the write-down of residual value of Non-EuroPay Mastercard Visa ("EMV") Electronic Data Capture ("EDC") terminals of RM1.38 million. In addition, there was a write-down of RM0.19 million for stocks used as demonstration sets for customers, for testing purposes, and for warranty claims.

For the current quarter under review, the Group's revenue increased by approximately 24.43% to RM13.09 million, as compared to RM10.52 million registered in the preceding quarter ended 31 March 2009 mainly due to the increased sales of cards in the local market and sales of hardware in the local and overseas markets. RM3.08 million in the preceding quarter due to lower operating cost in the quarter under review compared to the preceding quarter.

(a) GHL International Sdn Bhd ("GHLI"), GHLSYS Singapore Pte Ltd ("GHLSYS") and Privilege Investment Holdings Pte Ltd ("Privilege") had entered into a shareholders' agreement dated 31 October 2005 ("Shareholders Agreement") for the purpose of a joint venture. Subsequently, the above-mentioned parties mutually agreed to terminate the Shareholders Agreement via a termination agreement dated 3 March 2006 with a view of entering into a new joint venture subject to further discussions on the terms for such new joint venture. However, the said new joint venture has not eventuated as the parties were unable to reach an agreement on the final terms for the proposed new joint venture. Consequently, a dispute has since arisen in respect of the termination of the Shareholders Agreement.

On 1 April 2006 and 28 April 2006, the Indonesian lawyers acting on behalf of Privilege ("Privilege Lawyers") have via their letter ("Allegation Letter") to GHL, GHLI and GHLSYS (collectively "GHL Entities") alleged various matters against the GHL Entities and certain representatives of the GHL Entities ("GHL Representatives"), amongst others, fraud and misrepresentation in respect of the termination of the Shareholders Agreement, unlawful repudiation of obligations under the Shareholders Agreement, violation of various Indonesian laws and regulations as specified therein, and defamation ("Privilege Threat").

In this connection, the GHL Entities and GHL Representatives have engaged a firm of Indonesian lawyers ("GHL Lawyers"), to represent and advise them on this matter. In their letter dated 3 April 2006 and subsequently on 6 July 2006, the GHL Lawyers have replied to the allegations made in the Allegation Letter by informing the Privilege Lawyers that the GHL Entities and GHL Representatives have categorically denied all the allegations in the Allegation Letter.

Subsequently, PT Multi Adiprakarsa Manunggal ("PT MAM") had in its letter dated 13 February 2007 addressed to the GHL Entities and the GHL Representatives referred to the Allegation Letter dated 1 April 2006 and alleged that it was an intended beneficiary of the Shareholders Agreement and a direct contracting party to all contracts arising out of the Shareholders Agreement and it was injured by the unlawful conduct of the GHL Entities. PT MAM also claimed an amount of USD3 million in damages to be payable by or before 20 February 2007, failing which PT MAM deemed itself free to file litigation in Malaysia, Singapore and/or Indonesia and that the GHL Entities's reporting of accounts receivable in its financial statements may constitute fraudulent misrepresentation as the amount claimed were provided by the GHL Entities as equity contributions to a proposed joint venture company in Indonesia ("PT MAM Threat"). GHLI had in its letter dated 21

February 2007 replied to PT MAM requesting them to refer to the letter dated 6 July 2006 issued by GHL Lawyers to Privilege Lawyers and that GHLI remained open to meeting with PT MAM to resolve matters amicably.

As the matter has yet to proceed to Court and the GHL Entities and GHL Representatives hope to negotiate with Privilege and/or PT MAM to settle the matter amicably. The GHL Lawyers had expressed that that they were not aware of any doctrine of intended beneficiary under Indonesian law in respect of the PT MAM Threat. The GHL Lawyers are of the view that there are legal grounds for the GHL Entities to defend both the Privilege Threat and the PT MAM Threat in the event that litigation is commenced in the Courts of the Republic of Indonesia. However, the GHL Lawyers have qualified all such views by expressing that the Indonesian judiciary is sometimes unpredictable in its decision-making process and that a decision may not necessarily be based on the merits of a case. However, as no calculation of a claim for damages has been submitted by Privilege or its Indonesian lawyers and the PT MAM's claim for USD3 million was not quantified, the GHL Lawyers are not able to opine fully on the financial consequences to the GHL Entities. The Directors of GHL are of the opinion that should this matter go to court, the GHL Entities will vigorously defend its position.

Meanwhile on 13 May 2009, GHLI received a letter from Messrs Zaid Ibrahim & Co., representing Privilege with the following claims:-

- (i) Payment of the sum of USD3,009,700.00 as general damages suffered by Privilege arising out of GHLI's failure to perform the obligations;
- (ii) Payment of the sum of USD43,047.00 as special damages for expenses incurred by Privilege in setting up PT MAM and GHLSYS;
- (iii)Return of all confidential information, trade secrets and/ or any other proprietary information belonging to Privilege that remain in GHLI's and/ or any other related party's custody;
- (iv)Provision of a written undertaking that GHLI does not have any confidential information, trade secrets and/ or proprietary information belonging to Privilege other than that which was returned, and that GHLI has not and will not utilize the confidential information, trade secrets and/ or proprietary information save other than in the course of the joint venture; and
- (v) Payment of the sum of RM2,500.00 being the cost of the letter of demand.

On 19 May 2009, the management through its solicitor, Messrs. Sreenevasanyoung, denied each and every allegation as set out in the letter and denied being liable as alleged or at all.

The Board of Directors of GHL remains of the view that the GHL Entities have a good defence against such claims made by Privilege. The directors of GHL are of the opinion that should this matter go to court, the GHL Entities will vigorously defend its position.

(b) On 7 August 2007, two letters of demand were issued against M1. The first claim made by the Company demanding M1 to pay to the Company RM591,425 which comprises fees for servers hosting, rental of EDC terminals and other miscellaneous

matters. The second claim was made by GHL Transact, a subsidiary of GHL, demanding M1 to pay RM375,241 which comprises fees for maintenance and rental of EDC terminals and other miscellaneous matters. M1 has made partial payments to these claims. Further details are set out in Note A12 - Contingent Liabilities.
