B. Notes pursuant to Chapter 9, Appendix 9B of the ACE Market Listing Requirements of Bursa Malaysia Securities Berhad

B1. Performance review

Operating environment

Global economy remained uncertain in year 2016 due to the volatility in the financial market, fall in oil prices and slowdown in China's economy.

Overall, the operating environment remained challenging for the Group's business in the first quarter of 2016.

Financial performance

The Group reported revenue of RM17.943 million for the current period/quarter ended 31 March 2016, representing an increase of 35.8% as compared to the prior corresponding period/quarter ended 31 March 2015. The growth in revenue was mainly attributable to the increased orders during the quarter.

Despite the increase in revenue, the Group reported a loss before tax for the current period/quarter of RM0.369 million as compared to a loss before tax of RM0.241 million in the preceding corresponding period/quarter mainly due to loss arising from foreign currency exchange following the strengthening of Ringgit Malaysia against US Dollar.

Precision engineering segment

Revenue from the precision engineering segment for the current period/quarter ended 31 March 2016 increased by 28.5% as compared to previous year's corresponding period/quarter. The increase in the revenue contribution from this segment was mainly due to increase sales of mould sets.

Precision plastic injection moulding segment

Revenue from the precision plastic injection moulding segment had increased significantly by 61.7% to RM6.607 million as compared to previous year's corresponding period/quarter. The significant increase in revenue for the current period/quarter was mainly due to increased orders for its over moulding services.

Precision machining and stamping segment

Revenue from the precision machining and stamping segment had increased by 21.0% from RM6.605 million to RM7.994 million. The increase in revenue for the current period/quarter was resulted from new awarded projects from its customers.

Gross profit

Gross profit of the Group increased from RM1.144 million reported in the previous year's corresponding period/quarter to RM3.244 million achieved in the current period/quarter ended 31 March 2016 in tandem with higher revenue during the current period/quarter.

B2. Comment on material change in profit before tax

The Group recorded a loss before tax of RM0.369 million in the current quarter as compared to a loss before tax of RM5.351 million achieved in the preceding quarter ended 31 December 2015. The decline in loss before tax was due to higher revenue in the current quarter and impairment loss on goodwill of RM2.910 million recorded in the preceding quarter.

B3. Future prospects

The market conditions remained uncertain in 2016 due to slow growth in global economy and volatility of the Ringgit against US Dollar.

Premised on the above, the Group remained cautious on the overall outlook for financial year ending 2016.

B4. Statement by the Board of Directors on revenue or profit estimate, forecast, projection or internal targets

The Group did not announce any revenue or profit estimate, forecast, projection or internal targets for the financial year ending 31 December 2016.
