Notes to the Interim Financial Report

For the second quarter ended 30 September 2019

A. EXPLANATORY NOTES

A1. Basis of Preparation

The condensed consolidated interim financial statements are unaudited and have been prepared in accordance with the Malaysia Financial Reporting Standards ("MFRSs") 134 – *Interim Financial Reporting* and Rule 9.22 of the ACE Marketing Listing Requirements ("AMLR") of Bursa Malaysia Securities Berhad ("Bursa Securities").

The interim financial statements should be read in conjunction with the Group's audited financial statements for the financial year ended 31 March 2019.

The significant accounting policies adopted by the Group are consistent with those adopted in the audited financial statements for the financial year ended 31 March 2019.

The explanatory notes provide an explanation of events and transactions that are significant for an understanding of the changes in the financial position and performance of the Group since the year ended 31 March 2019 except for the adoption of the following Malaysian Financial Report Standards ("MFRS"):

1. MFRS 16 Leases

The Group has adopted MFRS 16 using retrospective method and comparatives are not restated, as permitted under the specific transitional provisions in the standard. The adjustments arising from the new leasing rules are therefore recognised in the opening of financial position.

Impact of adoption of MFRS 16

In summary, the impact of adopting MFRS 16 to opening balances are as follows:

Statement of financial position as at 1 April 2019

	Impact of change in accounting policies

B. ADDITIONAL INFORMATION REQUIRED BY BURSA MALAYSIA SECURITIES BERHAD'S LISTING REQUIREMENTS

B1. Review of Performance

The Group recorded revenue of RM8.00 million, 16.49% lower than RM9.58 million recorded in the corresponding quarter last year. This is due to lower progress claim for the construction segment.

The Group recorded a net loss after taxation of RM1.13 million as compared to the last year corresponding quarter's loss after taxation of RM1.05 million.

The performance of the respective business segments for the quarter ended 30 September 2019 as compared to the last year corresponding quarter is analysed as follows:-

1) Cloud and IT Services

The cloud and IT services segment recorded revenue of RM2.38 million in the current financial quarter ended 30 September 2019 compared to RM0.61 million recorded in the last year corresponding quarter. This is the result of commencement of formal datacenter operation as of September 2018.

2) Trading of Kitchen Appliances, IT and Office Automation Equipment

The trading of kitchen appliance recorded revenue of RM0.23 million in the current financial quarter ended 30 September 2019 compared to RM0.45 million in the last year corresponding quarter. The kitchen appliances recorded loss before tax of RM0.36 million for the current quarter ended 30 September 2019 compared to loss before tax of RM0.19 million in the last year corresponding quarter due to the decrease in revenue.

The trading of IT and office automation equipment recorded revenue of RM4.24 million for the current quarter under review as compared to RM4.20 million in the last year corresponding quarter. The IT and office automation equipment recorded loss before taxation of RM0.43 million as compared to profit before taxation of RM0.03 million in the last year corresponding quarter. This is due to the increase of cost of sales and expenses during the quarter under review.

3) Property Construction

The Property Construction has recorded a revenue of RM1.27 million during the quarter compared to RM4.31 million in the last year corresponding quarter. This is due to lower progress billing for the quarter under review.

Notes to the Interim Financial Report

For the second quarter ended 30 September 2019

B2. Future Prospect

The Board is of the view that the Group's prospect will remain challenging in near future. In light of the current numbers, the Group has recognized that the property revenue has begun to decline in light of the current economic conditions, but at the same time the revenue of the Cloud and IT services division has been increasing. As such, the Group will focus its energies on the Cloud segment, to capitalize on the growing requirement of digitization.

B3. Changes in Profit/Loss before Taxation against Immediate Preceding Quarter

For the current quarter under review, the Group's revenue was RM8.00 million represents a increase of RM1.40 million as compared to immediate preceding corresponding quarter revenue of RM6.60 million. This is due to higher revenue achieved by Cloud and IT segment during the current quarter under review.

Current quarter recorded loss after tax of RM1.13 million as compared to the loss after tax of RM3.86 million for the immediate preceding corresponding quarter.

The performance of the respective business segments for the quarter ended 30 September 2019 as compared to the immediate preceding corresponding quarter is analysed as follows:-

1) Cloud Services

The cloud services recorded revenue of RM2.38 million in the current financial quarter ended 30 September 2019 as compared to the RM1.21 million in the immediate preceding corresponding quarter. This is the result of securing additional clients during the current quarter under review.

2) Trading of Kitchen Appliances, IT and Office Automation Equipment

The kitchen appliances services segment recorded revenue of RM0.23 million in the current financial quarter ended 30 September 2019 as compared to immediate preceding corresponding quarter revenue of RM0.27 million. This segment recorded a loss after taxation of RM0.36 million in the current quarter under review as compared to immediate preceding corresponding quarter loss after taxation of RM0.34 million.

The trading of IT and office automation equipment recorded revenue of RM4.24 million for the current quarter under review as compared to RM3.76 million in the immediate preceding corresponding quarter. The IT and office automation equipment recorded loss before taxation of RM0.44 million as compared to loss before taxation of RM0.55 million in the immediate preceding corresponding quarter. This is due to the higher revenue recorded during the current quarter.
